The NSS Units of PSMO College conducted lots of innovative programmes during the academic year 2020-2021 under the programme officers, Dr. N Roopesh, Department of Mathematics, Dr. Abdul Naser V and Dr. Munavver Azeem of the Department of Commerce and Management Studies.

The NSS Units of the College organises large number of programmes every year including the mandatory seven day special camps. But during the academic year 2020-21, due to the spread of COVID-19 Pandemic and subsequent lock-down, the NSS activities on the campuses were adversely affected. Despite of the unfavourable circumstances, the programme officers and NSS Volunteers planned and implemented many programmes on virtual mode during the period of lock down. When the college resumed classes offline partially on 4 January 2021, some programmes were organized on the campus. As per the instruction received from the University of Calicut, NSS special camp was also organized with various specialized events.

The innovative programmes organized online and offline mode during the academic year 2020-2021 under the leadership of the programme officers, Dr. Abdul Naser.V and Dr. Munavver Azeem of the Department of Commerce and Management Studies are listed below.

KEY HANDING OVER OF 'CHENGAYIKKORU PERA'

One of the major highlights of the NSS for the academic year 2019-20 was the decision to build a house to one of the most needy students of the college with the title 'Chengayikkoru Pera' ie. 'House for a friend'. With the help and support of the Management, staff members, Alumni Association members, the entire students of the college and the general public, the construction of the house was completed in July, 2020. A student studying in fifth Semester BA Economics, who had been staying in a small rented line quarters at Chemmad was selected by the committee concerned and a concrete house was constructed at Attakulangra, Thangal's Road, Pathinaarungal, Tirurangadi by spending an amount of Rs.6 lakh. The key handing over function of the house was held on 28 July, 2020 at 9:30 am. Jb. MK Bava Sahib, Chairman, College Managing Committee, attended the function as chief guest. Dr. Azeez K, Principal, Dr. PM Alavikutty, Former Principal, Dr. Roopesh N, Dr. Abdul Nasar V, Dr. Munavver Azeem, the NSS Programme Officers, Dr. Aneesh MH, Staff Club President, Mr. Nissamuddeen Kunnath, IQAC Coordinator, Mr. Muhammed Shaju, General Secretary, Alumni Association, Mr. Abdul Basheer, Office Superintendent and NSS Volunteers also attended the function.

ITHIRI NERAM

The unexpected outbreak of the COVID 19 Pandemic in March 2020 and the subsequent imposition of lock down took the academic world to an unprecedented embarrassed situation. It has brought a lot of psychological issues among student community. Under this circumstance, an online programme was arranged for the students of the college to help them bring mental solace and the feeling of belongingness and happiness, though physically distanced. The programme was titled 'Ithiri Neram' and Mr. Muhammed Haseeb, singer, performer of mappila art and Assistant Professor of History, attended the programme as the chief guest. The programme was held on 2 August, 2020.

YUVAVANI PROGRAMME OF MANJERI FM STATION

During the locked down period, when all areas of lives were adversely affected, the Manjeri FM 10.27 took initiative to organize a very special programme for college students on 16 August 2020, in which they could present how they spent their time during the pandemic, rendering them relaxation from the stress caused by the spread of corona virus. Three NSS volunteers attended the programme conducted on offline mode and presented various activities done during pandemic.

'AGROQUARANTINE'

When COVID 19 brought forth unprecedented stress and strain among the student communities, the NSS Units came up with an innovative programme titled 'Agroquarantine'. The volunteers were asked to cultivate some vegetables in their kitchen garden, on roof top garden or in their surroundings by following the organic agricultural practices. By this process students got double benefit; they learned the practice of organic farming and also they feel the happiness of making something as their own. The photographs were taken and videos of the cultivation and yield collection were made and displayed in-front of the college to develop awareness among other students about agriculture and agricultural practices.
