

PSMO COLLEGE, TIRURANGADI

E S E N C I A

ANNUAL NEWSLETTER 2020-21

ACADEMIA

M E S S A G E

PRESERVING ORDER AMID CHANGES

Established in 1968 in the socially and economically backward region of Tirurangadi in the district of Malappuram, the College took up the noble mission of imparting quality higher education to all with an egalitarian perspective focusing on the education of Muslim and other minority communities. The Alumni being placed in various capacities all over the world, and the region of Malappuram being socially and economically emancipated attest institution's success in realizing its mission.

As part of realizing the vision of the institute, we could implement more

developmental, innovative, value-based and eco-friendly programmes this year. We have undertaken collaborative projects with eminent institutions, introduced new certificate courses, created herbal garden, partially completed construction work of ground floor of the building funded by RUSA etc. We hope to complete the works of making the campus a 100 percent Wi-Fi Zone and of creating a botanical garden on the campus in the next academic year. At present, the College is home to ten undergraduate, seven post-graduate and five research departments.

Now we are facing an adverse situation with respect to teaching- learning process and research activities as a result of the pandemic, Covid 19. We have been able to withstand the challenge by adapting ourselves to the changing scenario by adopting virtual class rooms. Let it be the beginning of a new era in the field of education where a blended teaching- learning model as envisaged by U.G.C shall become what is accepted as a norm in the days to come. Therefore, it is desirable for teachers as well as students to take advantage of the situation and equip themselves with new educational technologies and render the adversity to an opportunity.

The first part of the newsletter, Academia, records the annual academic activities and achievements of the institute such as research, consultancy, publications, research projects, extension activities, scholarships etc. Second part, Eventos, documents extra-curricular activities including activities of NCC, NSS, Fine Arts, Sports, Alumni and various clubs functioning in the college. This reputed institute, in the years to come, will be an autonomous college with potential for excellence as envisaged by the University Grants Commission.

I wish all the best to all stakeholders of the College.

Dr. K. Azeez, Principal

Though COVID-19 has hit hard on education, we have managed to overcome the hurdles and continued our teaching - learning process via Learning Management System developed by our college and could maintain our interactions with alumni and other stakeholders in all possible forms. I am very proud of the dedication shown by the principal and faculty in digitally delivering the courses as well as of the perseverance of our students in attending classes in an online learning environment. I am glad to note that the publication Division of our college is bringing out a newsletter for the academic year 2020 -'21. The richness in the

content and sufficient number of the pages of the newsletter are the outcome of the efforts taken by the PSMO fraternity. On this occasion, I congratulate the whole team behind this venture and express my gratitude to all well- wishers of the college.

M.K. Abdurahiman, Chairman,
PSMO College Managing Committee

'Verily, with every difficulty there is relief'

VISION

To achieve national and international recognition as a premier academic institution, through an extraordinary, student centered, value based, teaching learning practices and quality research output.

MISSION

- To align the academic endeavours of the College with the best nationally and globally
- To collaborate with institutions of eminence leading to elevated student experiences
- To establish student centered instructional ecosystem with active learning practices
- To provide top-class exposure to research in terms of thought and material support

CORE VALUES

SERVICE

The College had its beginning in the zeal of its founding fathers to serve a deprived section of the community, the orphans. Hence the whole moral edifice of the institution is built on the value of serving the community. The faculty and students are oriented to this founding value of the College by connecting it to the institution's core principles and strategies. To learn and work at PSMO College is to learn to serve and live to serve.

SELF RESPECT

Education at PSMO College is aimed at helping the learner understand oneself, leading to developing the learners' self awareness and self respect. The College holds on to the belief that self respect is the core concept on which the respect for others could be built.

SOCIAL JUSTICE

A sense of fairness to all the members of the community underscores the educational philosophy of the College. At PSMO we inculcate egalitarian

attitudes and a willingness to accommodate the other so that fairness could be made possible at political, economic and social transactions in the larger communities outside.

CARE

The ideas of service and care are intertwined. To serve is to care. Hence all relationships among the stakeholders of the College are defined by the willingness to care for one another and for the environment too. It stems from the 'care for the needy'

philosophy of the founders of the College.

COMPETENCE

Rendering the learners competent in their disciplines by all means governs the teaching-learning processes at PSMO College. Knowledge wise and skill wise, attitude wise and value wise, all the learners who enter the campus are made ready to join the world by the sheer competence they possess.

LIST OF ADD-ON COURSES 2020-21

Sl. No.	Name of Programme	Remarks	Offering Departments
1	Arabic Translation	Offline	Arabic
2	Green House Management	Offline	Botany
3	Horticultural Practices	Offline	
4	Software tools for Scientific graphing & Molecular modelling	Online & Offline	Chemistry
5	Professional Accounting	Offline	Commerce
6	Excel and Powerpoint	Online	
7	Data Analysis using software (Interdisciplinary Certificate course in association with the Dept. of Zoology)	Offline	
8	Data Analysis and Research Report Writing	Online	
9	Techniques and Implications of Economic Policies	Online	Economics

INTERNATIONAL WEBINARS/WORKSHOPS

DEPARTMENT OF HISTORY

1 An International webinar on the topic 'Questions from the Ocean, Answers from the Mountain: Law, Love and Lust' was organized on 12 December, 2020 in which Mahmood Kooria, Leiden

University, delivered the key note address. Dr K Azeez, Principal, inaugurated the program and Dr. Hussain Randathani, the renowned historian, Chaired the session.

The image shows two promotional posters for a webinar. The left poster is for the 'INTERNATIONAL WEBINAR SERIES' featuring Dr. Mahmood Kooria as the speaker. It includes the date '2020 December 12' and the time '2.30 pm (IST)'. The right poster is the 'PROGRAMME SCHEDULE' for the same event, listing the welcome by Ms. Saleena M, the inaugural address by Dr. K. Azeez, the speaker Dr. Mahmood Kooria, the chair Dr. Hussain Randathani, and the vote of thanks by Abdul Rasheed K. Both posters mention the platform as Zoom and provide the meeting ID 898 225 2088 and password PSMO.

2 An International Webinar on 'Shah Abdul Latif's Music in Meshworks of Land and Sea' was organized on 19 December, 2020. Pei-Ling Huang, Department of Music, University of Harvard,

gave the key note address. The formal inauguration of the programme was done by Dr K Azeez, Principal and Dr PP Abdul Razak, former HOD, Chaired the session.

The image shows two promotional posters for a webinar. The left poster is for the 'INTERNATIONAL WEBINAR SERIES' featuring Pei-Ling Huang as the speaker. It includes the date 'DECEMBER 19, 2020' and the time '11 AM IST'. The right poster is the 'PROGRAMME SCHEDULE' for the same event, listing the welcome by Dr. K. Azeez, the inaugural address by Dr. Hussain Randathani, the speaker Pei-Ling Huang, the chair Dr. K. Azeez, and the vote of thanks by Abdul Razak. Both posters mention the platform as Zoom and provide the meeting ID 898 225 2088 and password PSMO.

3 An International Webinar on 'Malik Ambar and Afro-South Asian Political Leadership in World History' was conducted on 1 February, 2021. Prof. Omar H. Ali, Dean & Professor, Lloyd International Honors College, University Of North Carolina, Greensboro, delivered the keynote address. Dr K Azeez, principal, inaugurated the webinar.

The image shows two promotional posters for a webinar. The left poster is for the 'PG & RESEARCH DEPARTMENT OF HISTORY' featuring Omar H. Ali, Ph.D. as the speaker. It includes the date 'FEBRUARY 1, 2021 7:30 PM IST' and the platform 'ZOOM'. The right poster is the 'PROGRAMME SCHEDULE' for the same event, listing the welcome by Dr. K. Azeez, the inaugural address by Dr. Hussain Randathani, the speaker Omar H. Ali, the chair Dr. K. Azeez, and the vote of thanks by Abdul Razak. Both posters mention the platform as Zoom and provide the meeting ID 898 225 2088 and password PSMO.

4 An International Webinar on 'Religious Encounters: Empowerment through Tamil Parai Drumming' was

held on 11 February, 2021. Prof Zoe C. Sherinian, University of Oklahoma, gave the key note address.

The image shows two promotional posters for a webinar. The left poster is for the 'PG & RESEARCH DEPARTMENT OF HISTORY' featuring Dr. Zoe Sherinian as the speaker. It includes the date 'THURSDAY, FEBRUARY 11, 2021' and the time 'INDIAN STANDARD TIME: 7 PM'. The right poster is the 'PROGRAMME SCHEDULE' for the same event, listing the welcome by Dr. K. Azeez, the inaugural address by Dr. Hussain Randathani, the speaker Dr. Zoe Sherinian, the chair Dr. K. Azeez, and the vote of thanks by Abdul Razak. Both posters mention the platform as Zoom and provide the meeting ID 83735766652 and password PSMO.

Omar H Ali, Dean Professor, Lloyd International Honors College, delivering keynote address

DEPARTMENT OF ECONOMICS

5 An International webinar on 'Covid-19 Pandemic and Labour Mobility of Kerala: Determinants and Recommendations for Change' was organized on 19 March, 2021. Mr. Nikhil Panicker, Research Fellow, Faculty of Arts, Design and Social Sciences, Northumbria University, UK and Director, the International Institute of Migration and Development, delivered the keynote address.

Dr. K. Azeez, Principal, inaugurating the international webinar

Participants of the webinar

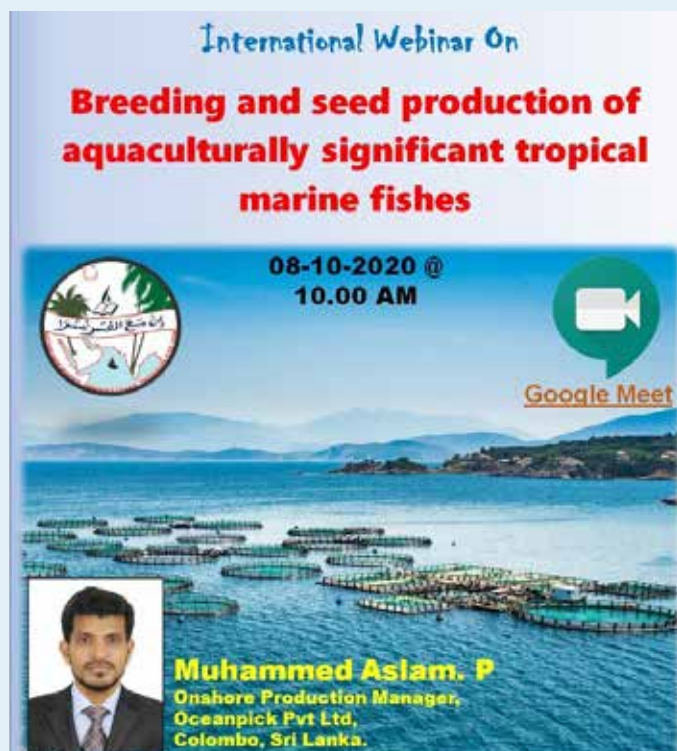

DEPARTMENT OF ZOOLOGY

6 An International Online webinar on 'Breeding and Seed Production of Aqua Culturally Significant Tropical Marine Fish' was organised on 8 October 2020. Mr. Muhammed Aslam. P, Onshore Production Manager, Oceanpick Pvt Ltd, Colombo,

Sri Lanka, was the resource person. Dr. Azeez K, Principal, inaugurated and Dr. Mujeeb Rahman P, HoD, presided over the function. Dr. Ahammed Shareef PA, coordinator, delivered welcome speech and Dr. Ali Akshad M proposed vote of thanks.

7 Research Department of Zoology, PSMO College and Department of Zoology, Government College, Kodenchery jointly organised an Online International Webinar on the topic 'Mystery of Transoceanic Avian Migrant' on

30 October 2020. Dr. KM Aarif, Division of Terrestrial Ecology, Centre for Environment and Water Research Institute, King Fahad University of Petroleum and Minerals, Dahrnan, Kingdom of Saudi Arabia, was the resource person.

DEPARTMENT OF COMMERCE

8 A Two day international webinar on 'Employability and Curriculum Relevance -Industry and Academia Perspective', was organized on 5 & 6 September, 2020. Dr. M. Nasser, Hon. Pro Vice Chancellor,

University of Calicut, inaugurated the webinar and Mr. Hafedh Saeed Al Rabhi, Ibri College of Technology, Sultanate of Oman attended the programme as resource person.

Dr. SPIROS BATAS
BSc, BSc by Research, MSc, Ph.D
Senior Lecturer in International Business & Director of MS/MBA International Business Program
School of International Business
University of Greenwich, UK

Spiros Batas joined the University of Greenwich in September 2017. He holds his PhD in International Business and Strategy from the University of Edinburgh. He had previously gained an MSc in International Business and Emerging Markets from the University of Edinburgh. He also obtained an MSc by Research in Labour Economics, Human Resource Management and Innovation from the University of Aix-Marseille and CNRS. He also holds a BSc in Economics from the University of Piraeus and a BSc in Business Administration. Spiros's research examines the importance of networks and social capital and how those can facilitate the internationalisation process of SMEs and MNEs.

11 A one day International webinar on 'Skill and Qualifications Required to Meet International Recruiters' was conducted on 8 March, 2020. Mr. Asif Ahammed, Financial & Revenue Analyst, Dubai Investment PJSC, presented the topic. Dr. K Azeez, Principal, inaugurated the webinar.

DR. ANAND P. PUTHIRATH
Postdoctoral Research Associate
Materials Science and Nano Engineering
Texas, USA

Dr. Anand P. Puthirath received his PhD in physics from Cochin University of Science Technology (CUSAT), India where he studied the roles of surface plasmons and conducting polymers in optoelectronics and energy storage. Dr. Anand completed his Masters in Physics from the same school where he specialised in modern optics, advanced maths physics and quantum field theory. After receiving his PhD, he joined Tata Institute of Fundamental Research (TIFR), India as Postdoctoral fellow where with the help of impedance spectroscopy he investigated various types of relaxation phenomena in supercooled glassy liquids near to their glass transition temperatures (Tg) while studying the potential material compositions for flexible solid electrolytes. He received the national postdoctoral fellowship in the year 2017 to pursue postdoctoral research in Indian Institute of Science, Bengaluru. Dr. Anand joined Prof. Ajayan research group as SERB-Indo-US Postdoctoral Fellow in January 2018, where his research focuses on Magnetism and Piezoelectricity in 2D materials. Wide bandgap semiconductors, 2D materials-based sensors, Mechanical Properties of 2D & 3D structures, Dielectrics, optoelectronics, and low energy water splitting are also finding space in his research interests. Furthermore, research in the field of energy storage always excites him where the emphasis is on Li-S cells and supercapacitors.

The seminar explores recent studies on the theme of 'Global South' and traces the growth of the field beyond the purview of postcolonialism. The term cuts through discourses of development, cultural difference and geopolitics of power relations. Instead of placing itself as a post-vent was introduced to 'Third World', the term gathers a post-colonial sense engaging with spaces and communities marked by the racialised world order. The 'Global South' dissolves the geographic restrictions of capitalism, thereby facilitating platforms for subjugated peoples even within the peripheries of wealthier countries. The de-territorialised conceptualisation of the term provides enough room for 'the constant imagery of a transnational political subject that results from a shared experience of subjugation under contemporary global capitalism' (Shah, Richard, 2016). As present, the use of Global South refers to a transnational political subjectivity that encompasses the ideological and political transnationalism that springs up among the world's multiple localities. Consequently, the transnational political subjectivity enables it imperative to discuss notions of diasporas, as technological and socio-economic associations between people transcend borders. The conference focuses extensively on the spatiotemporal elements of migration and diaspora. 'Transnationalism has become a target term that sheds light on the political-economic-cultural aspects of the study of human and social movements' (Kapoor, 2007). Contemporary transnational discourses have interpreted both territorial and ideological underpinnings of nation-states, in conceptualising critical subjects and knowledge production in the academia and helps us state the regions of border or globalisation by foregrounding histories of ideas and redefining that define them.

Prof. EV Ramakrishnan, Professor Emiratus, Central University of Gujarat giving keynote address

INTERACTIVE SESSION

An interactive session was organised on ‘Introducing Literature’ for students of First Semester BA English on 9 December, 2020. Dr. Zahira Rahman, Associate Professor, Sullamasalam Arts & Science College, Areecode attended as resource person.

INVITED TALK SERIES LECTURE II

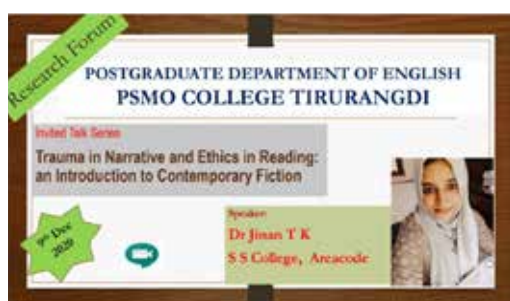

Invited Talk Series - Lecture 2 on 'Introducing the Theoretical Trajectory of Deleuze and Guattari' was delivered by Dr Anusree RS, Asst. Prof of English, Zamorin's Guruvayurappan College, Calicut on 11 Jan, 2021.

**INVITED TALK SERIES LECTURE IV**

Invited Talk Series - Lecture 4 on 'Beginning Spatiality' was delivered by Dr Erfan K, Asst. Professor, Department of English, Amal College of Advance Studies, Nilambur on 10 March, 2021.

**INVITED TALK SERIES LECTURE III**

Invited Talk series - lecture 3 on 'Trauma in Narrative and Ethics in Reading: An Introduction to Contemporary Fiction' was given by Dr. Jinan TK, Sullamussalam Science College, Areacode on 9 Dec 2020.

**TWO DAY WORKSHOP**

A Two Day Workshop on 'Literary and Cultural Theories After World War II: An Introduction' was organised on 12 & 13 April, 2021. Dr. Haris K, Asst. Prof. of English, University of Calicut, was the resource person.

**DEPARTMENT OF PHYSICS****NATIONAL WEBINAR**

A National webinar on 'Physics of Black Hole' was organized on 12 November 2020, in which Mr. Fazlu Rahman, IIA, Bangalore, attended as resource person

ONLINE MOTIVATION CLASS

An Online motivation class on 'Physics from There to Here' was conducted on 10 November, 2020. Dr. Praveen KC, Dept. of Electronics and Engineering, Bishop Jerome Institute of Technology, Kollam participated as the resource person.

ONLINE WORKSHOP

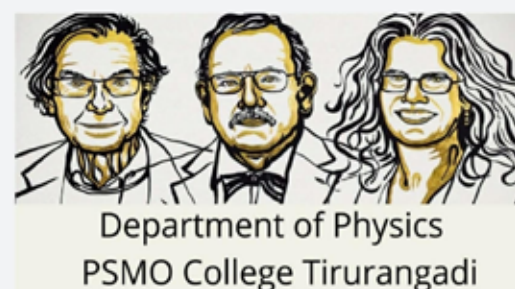

An Online Workshop on 'Virtual Labs' was organized in Association with NIT Surathkal on 30 September, 2020. Dr. Sheena, Mr. Beryl Thomas, Ms. Anupriya James, Ms. Minimol,

Ms. Navaneetha V, Ms. Shreshtha from NIT Surathkal took part in the workshop and made it an enlightening one.

REGIONAL WEBINAR

A regional webinar on 'Magnetic Refrigeration: An Alternate cooling Technology' was conducted on 11 November,

2020. Dr. Rashid TP delivered the keynote address. In the second session, Dr. Rashid engaged an online motivation class on 'Career Options for a Physics Graduate'

INTERNAL QUALITY ASSURANCE CELL (IQAC) 2020-21

The Internal Quality Assurance Cell (IQAC) of the college could play a vital role by taking initiatives for academic innovation. These initiatives have resulted in an overall improvement in the academic and administrative performance of the institution. In the academic year 2020-'21, a total of eight meetings were convened by IQAC to make academic year a fruitful one with its executive council and various stake holders. One webinar on Intellectual Property Rights (IPR), four webinars including two national and one international, related to quality enhancement were organized by IQAC as a part of its quality enhancement initiative. In collaboration with Centre for Academic Leadership and Education Management (CALEM), UGC – HRDC,

Aligarh Muslim University, the cell has also organized an FDP on 'Campus Sustainability'. The cell has taken an online feedback on the curriculum followed in the institution for the teaching learning process, from various stake holders and recommendations based on the analysis of the feedback were made. Under the guidance of the cell, the college participated

in the India Ranking - 2021 of National Institution Ranking Framework (NIRF) in December 2020 and Atal Ranking of Institutions on Innovation Achievement (ARIIA) – 2021 of Ministry of Education (MoE), Govt. of India. Earlier the College won a place in the rank band 150 – 200 in India Ranking 2019 and India Ranking 2020 of NIRF.

COURSERA FOR CAMPUS PROGRAMME

Though Covid-19 has hit hard on on-campus learning, IQAC PSMO College Coursera for Campus enabled our college to offer high quality, job-relevant, online learning to students, alumni, faculty, and staff. Coursera is the world's premier learning platform (or MOOC - Massive Open Online Courses). It brings online educational content from the best universities and industries delivered in an easy-to-use online platform. The college got a license to enroll 4500 learners to this program. Students' data collected using google form are uploaded to the coursera website and they will get an email invitation to join a Coursera program. Once they join the learning program, they will be able to learn and earn certificates over 6000 online courses from leading universities and companies free of cost.

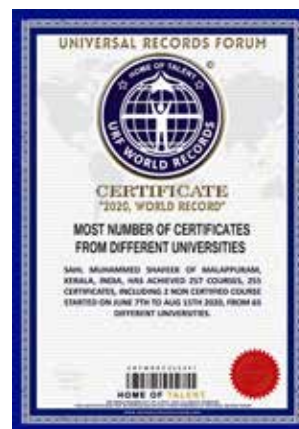

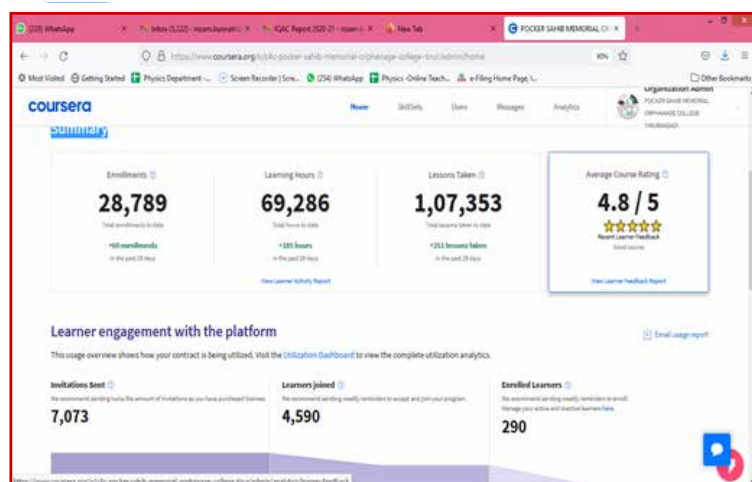

Our learners utilized the opportunity to learn from some of the best instructors in the world and earn credentials from the world's top universities, including the University of Michigan, Yale University, Johns Hopkins University, Duke University and also leading industry educator Google.

Jb. MK Bava Sahib honouring Mr. Sahl Muhammed Shafeeq for receiving the URF World Record

Sahl Muhammed Shafeeq completed 257 courses under coursera for campus programme under PSMO College Tirurangadi. He got the URF world record for this achievement.

Vidhu Nair
Some people amaze us travelling routes less travelled. Sahl is an enchanting instance of incorrigible quest for continuous development in the shut down days of the global pandemic. A new inspiration to all of us...
Sahil

USAGE SUMMARY OF THE COURSERA LEARNING PROGRAMME

Dear All,

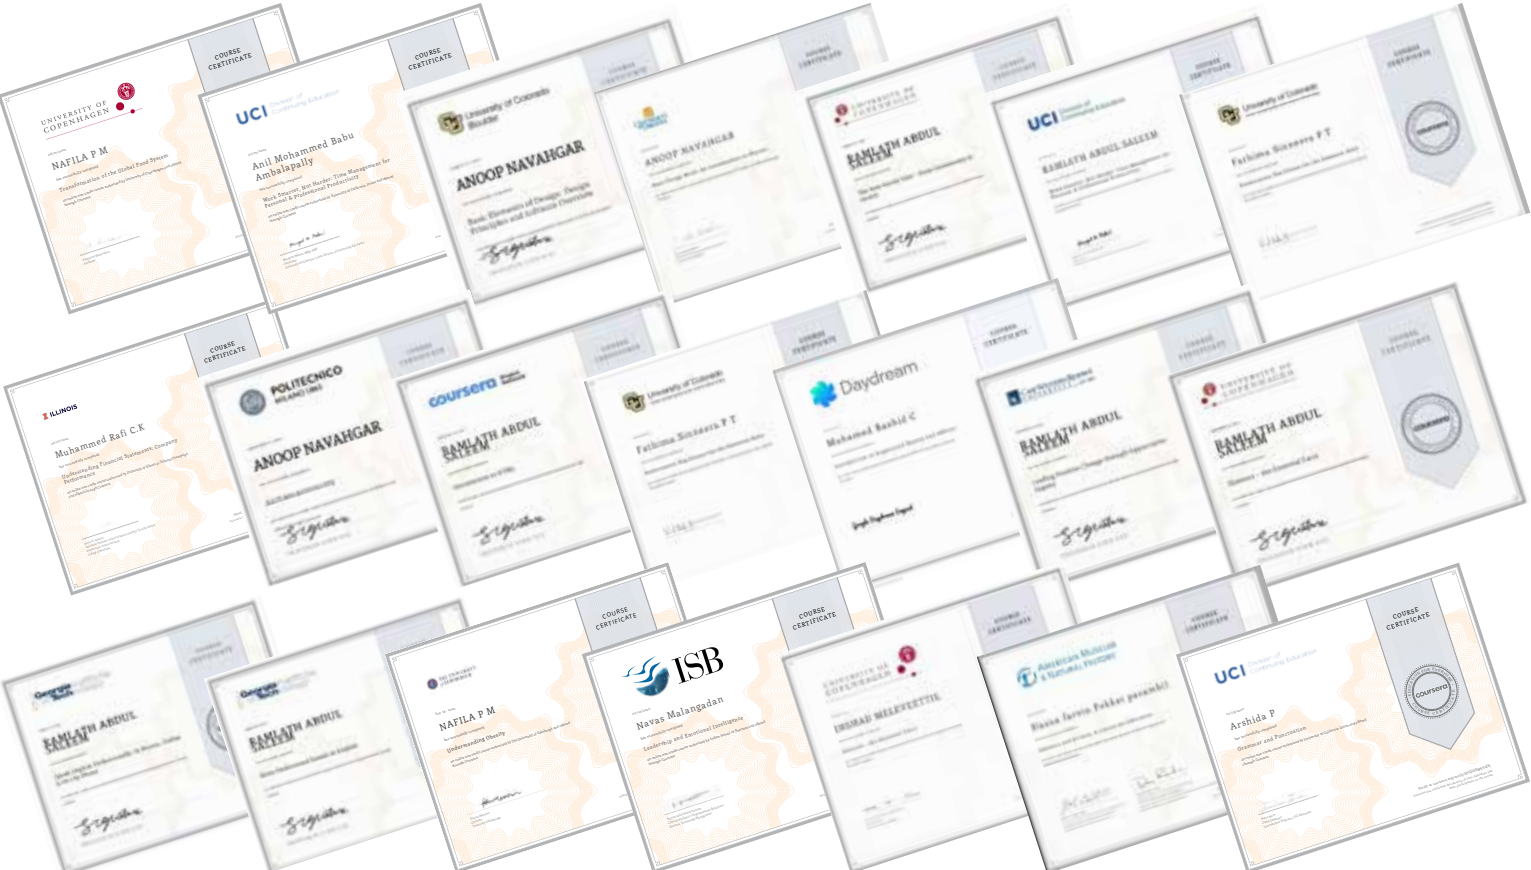

GREETINGS FROM PSMO COLLEGE

I am very happy to introduce Fathima K Noufal from Abhu Dhabi, a junior COURSERA participant from PSMO. She is studying in Grade X at Abu Dhabi Indian School. She effectively utilized the lockdown period to successfully complete 20 courses from various Universities.

Completion of 20 courses by a X std student is exceptional and extraordinary. Hence we all must congratulate Fathima for this great achievement. I am glad to introduce her father Noufal K Muhamed, from Angadipuram, Malappuram Dt., who is an Alumnus of this institution. He completed his Pre Degree from PSMO College during 1987 - 89. On this occasion on behalf of all participants of PSMO COURSERA, I extend a hearty congratulations to Fathima K Muhamed and Mr. Noufal K.

With regards

Dr. Azceez K, Principal

WEBINAR ON 'E – LEARNING AND DIGITAL LEARNING RESOURCES'

The cell organised a webinar on 'e-learning and Digital Learning Resources' for faculty members of the college on 5 June 2020. The programme was highly relevant as the teaching Learning process of Higher Education Institutions were switched from offline to online mode due to the outbreak of the pandemic. Dr. Robinson P Ponminiessary, Asst. Professor of Chemistry and IQAC Coordinator, Christ College (Autonomous), Irinjalakkuda served as the resource person. The participants were introduced with various learning Management Systems (LMS) including MOODLE, softwares and applications which all enhanced the digital learning of the participants. A demonstration of these softwares were also made in the webinar which benefited 87 participants in and outside the institution.

Dr. Robinson P. Ponminiessary engaging online session

WEBINAR ON INTELLECTUAL PROPERTY RIGHTS (IPR)

The cell organized a webinar on 'Intellectual Property Rights (IPR)' to discuss the various aspects of Intellectual Property, filing of patent and the existing jurisdiction on Intellectual Property on 29 July 2020. Dr Anjana Girish, Assistant Professor, Inter University Centre for IPR studies, Cochin University of Science and Technology was the resource person of the programme which benefited 124 participants including faculty members and research scholars in and outside the institution. The resource person talked on the various aspects of IPR including copyright, trade mark, geographical indicators, methods of protecting the intellectual property and the national and international laws involved in it. In the interaction the resource person gave information on procedure of filing a patent and answers to the queries raised by the participants.

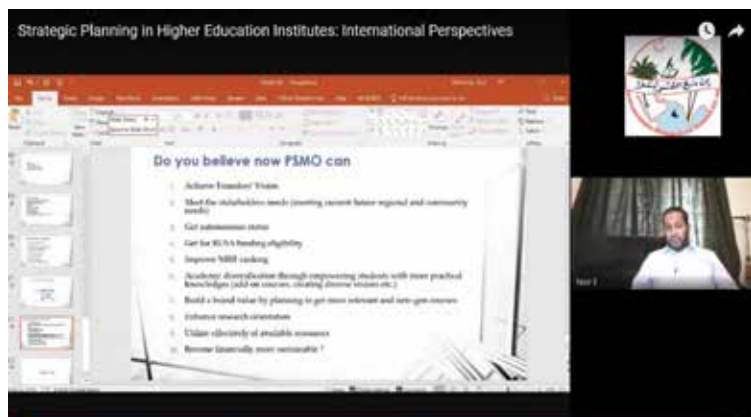

A snap shot of the webinar recording of the interaction between the resource person and the participants.

INTERNATIONAL WEBINAR ON 'STRATEGIC PLANNING IN HIGHER EDUCATION INSTITUTIONS – INTERNATIONAL PERSPECTIVES'

The cell organized an international webinar on 'Strategic Planning in Higher Education Institutions – International Perspectives' on 14 August 2020. Mr. Yasir Ellathody, Strategic Planning Expert, College of North Atlantic, Qatar interacted with the participants about the need and nature of Strategic Planning in HEI in the international point of view. The resource person expressed his view of making the teaching learning process in HEI in India to be more outcome oriented. He also talked about the necessity of the institutions to plan road map in a five / ten year basis. A total of 136 participants in and outside the institution benefited from the programme. An active discussion on the Strategic Planning for the College was also held during the interaction session.

NATIONAL WEBINAR ON 'NAAC QUALITY ENHANCEMENT PERSPECTIVES AT THE COLLEGE LEVEL'

The cell organised a national webinar on 'NAAC Quality Enhancement Perspectives at the College Level' for all stakeholders of Higher Education Institutions. A total of 127 participants in and outside of the state with a majority being Principals or IQAC coordinators who benefited from the webinar. Dr. NS Dharmadhikari, renowned educationalist from Pune served as the resource person. He stressed on the significance of running the HEIs in an outcome based and technologically enhanced manner and the significance of conducting programmes in such way to achieve National Integration.

PSMO COLLEGE LEARNING MANAGEMENT SYSTEM (LMS)

IQAC PSMO College established a MOODLE based Learning Management System during this academic year. This LMS is developed indigenously by the faculty members Mr. Subair P, HOD, Arabic and Mr. Basim MB, Asst. Professor of Physics. URL of LMS is <http://lms.psmocollege.ac.in>. Current version is MOODLE 3.11. Our LMS can be accessed by any browser on mobile phones, laptops and desktops.

Free Android and IOS app are also available. Tools like forum discussions, chat, wiki, glossaries etc make collaborative learning. Its intuitive dashboard and Graphical User Interface make teaching and learning easy.

AKSHARASSAMUDRAM – ADOPTION OF A VILLAGE SCHOOL BY YES INDIA PSMO COLLEGE CHAPTER

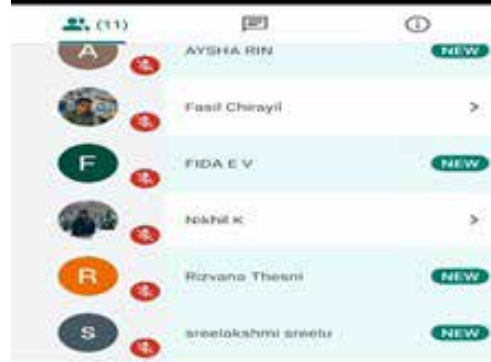

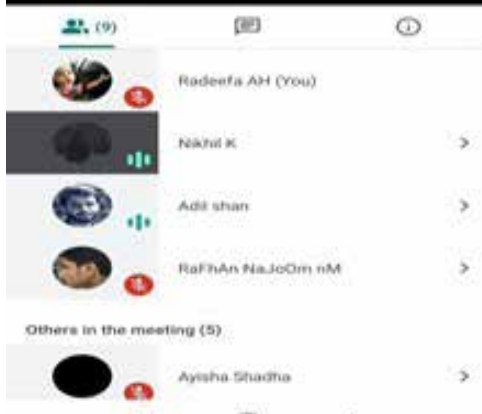

YES INDIA (Young Ebullient Students India), a voluntary nonprofit organization under CIGI [Centre for Information and Guidance India] Calicut, is working for the educational upliftment of the Malabar region especially the rural backward areas like coastal belt of Malabar. YES India is a student centered programme run by students for the benefit of the deserving students. Young Students India, Math India, CS Focus, HR India, Leadership India etc. are some of the programmes run by YES INDIA. YES India PSMO Chapter came into

existence in the academic year 2019-20, and it launched *Aksharassamudram* as its first project. *Aksharassamudram* is one of the major projects of YES INDIA, which aims at providing educational support to the SSLC students (Mentees) who are residing at coastal areas. Eighteen UG Students from PSMO College volunteered to act as the project supporters (Mentors). It has been decided to adopt MMM Higher Secondary School Kuttayi, Tirur, which is situated in the coastal belt of Malappuram District.

The academic year 2020-21 saw a slow beginning of the activities of the chapter due to COVID 19 pandemic and subsequent lockdown. As all educational institutions remained closed down, the activities were conducted on virtual mode by utilizing various online platforms.

PIC & CORE MENTORS MEET

The team YES India PSMO College Chapter held an online meeting with the PIC (Project Implementation Committee) members to discuss the modalities of operation for the academic year on 21 July, 2020 and decided to organize an interactive session with EXL UK and to continue the activities at the adopted school by utilizing both offline and online modes depending upon the situation.

MEETING WITH EXL UK

The first interactive meeting of the core mentors with EXL UK was held on zoom platform on 25 July, 2020. The meeting had been very fruitful as it brought the areas where more training was required for discussion. The EXL Team expressed their interest to offer more training sessions to Core Mentors.

EXL UK - MENTORS TRAINING SESSION 1

The first training session of EXL UK was organized on Zoom platform to improve the presentation skills of the mentors in conducting their online classes. Core mentors presented their topic in power point format. Team EXL UK evaluated all the presentations of Core Mentors and conducted a session on how to improve the quality of presentations given in online class rooms.

PIC & CORE MENTORS MEET

Following the field visit a joint meeting of the Project Implementation Committee and Core Mentors decided to prepare time schedule of the classes and start the same in the month of January itself.

The following time schedule was prepared for offline classes and MMMHSS Kuttayi was chosen as the venue for offline classes.

2021		
JANUARY	FEBRUARY	MARCH
16, 23, 24 & 30	06, 07 & 20	Revision and Examination

LIST OF MENTEES

During the academic year 2019-20, a total of 22 mentees registered and participated in the programme. But during the pandemic, though a number of students registered initially, many of them didn't participate in the offline classes organized under this scheme. Only four students attended the entire sessions and performed well in their board examinations.

CHILD LINE

(A Project of the Ministry of Women and Child Development Govt. of India)

Dr. K. Azeez
Nodal Director

Mr. Saleem
Nodal Officer

Nodal Centre:

PSMO College
Tirurangadi, Malappuram

CHILDLINE is a project of the Ministry of Women and Child Development, Govt. of India (GOI) in partnership with NGO's, International Donors, the corporate sector etc. It is a National, 24 hour, free emergency telephone helpline having a toll free number 1098 and outreach service for children who are in need of care and protection. The project provides emergency assistance to children, which includes medical aid, shelter, restoration, rescue, sponsorship and emotional guidance.

Childline Malappuram nodal organization conducted many training and child protection awareness programmes during the academic year 20-21. The pandemic restricted the project to conduct many programmes on virtual platforms. The main aim of the programme was to give awareness to the general public about the importance of child rights and reduce to the issues of child abuses.

INTRODUCTION

As part of *childline se dosti campaign*, Malappuram CHILDLINE conducted various programmes for the stake holders and allied system. In the context of Covid-19 pandemic we couldn't conduct many offline program. But we conducted many online program and ensure the visibility and activeness of CHILDLINE1098 in the field of child protection.

Objective:

1. To acquaint the general public with CHILDLINE and its services
2. To aware the parents of child rights and child abuses
3. To make the students aware of cyber safety

INAUGURATION

Mr. U. Abdul Kareem, District Police Chief, inaugurated the campaign on 14 November, 2020. As part of the inauguration, Childline Malappuram in association with *Balasabha* conducted a programme titled *Parayam Pankuvekkam*, an online interaction between district officials and children. Ms Priya K, Hon Sub Judge, DLSA Secretary, Adv. Sajesh Bhaskar, CWC chairman, Mr. Anandu, IIT Research Scholar interacted with the children. Children actively participated in the program and raised queries regarding child protection and also shared their experiences in the Covid -19 pandemic situation. Sixty five children from different panchayaths participated in the program.

CHILDREN'S DAY OBSERVATION

As part of *childline se dosti campaign* (children's Day observation) Malappuram CHILDLINE conducted various program for different stake holders and allied system.

PARAYAM PANKUVEKKAM- A DIALOGUE WITH COLLECTOR

Childline organised an online interaction between district collector and children in which Mr. K Venugopal, IAS, talked about his childhood, education, challenges he faced in his life, his motivation to IAS etc., which had been really an inspiration to children. Children expressed their concern over the opening of schools, examinations etc., and he cleared all their doubts. The students expressed their gratitude to Childline for giving them an opportunity to interact with District Collector.

RIDE FOR SAFE CHILDHOOD

As part of international day against child abuse and universal children's day, Malappuram childline in association with DLSA conducted a cycle rally. The theme of the ride was 'Safe Childhood'. Ms. Priya K, Hon. Sub Judge & District Legal Services Authority Secretary, inaugurated the program. Eighteen professional riders from different parts of the district participated in the event. The team visited more than 10 cities and passed on child protection messages. The volunteers saluted the Corona warriors for their selfless service.

Mr. Saleem, Childline Nodal Officer, Malappuram, flagging off the cycle rally

In spite of the adversity caused by the pandemic, many online and offline programmes were conducted as part of Children's Day week. All the programmes helped disseminate child protection message to society and aware the parents and the children of the child protection issues especially in the Covid-19 pandemic situation. The rally helped ensure the participation of the youth in the child protection initiatives.

STUDENTS INITIATIVE IN PALLIATIVE (SIP)

In-order to create awareness on Pain and Palliative care among the students and to give them training in it a multi-functional SIP Unit is functioning in the College. The SIP organises various programmes like palliative training, observance of palliative day, free water bed distribution and homecare. The activities conducted during 2020-21 are listed below

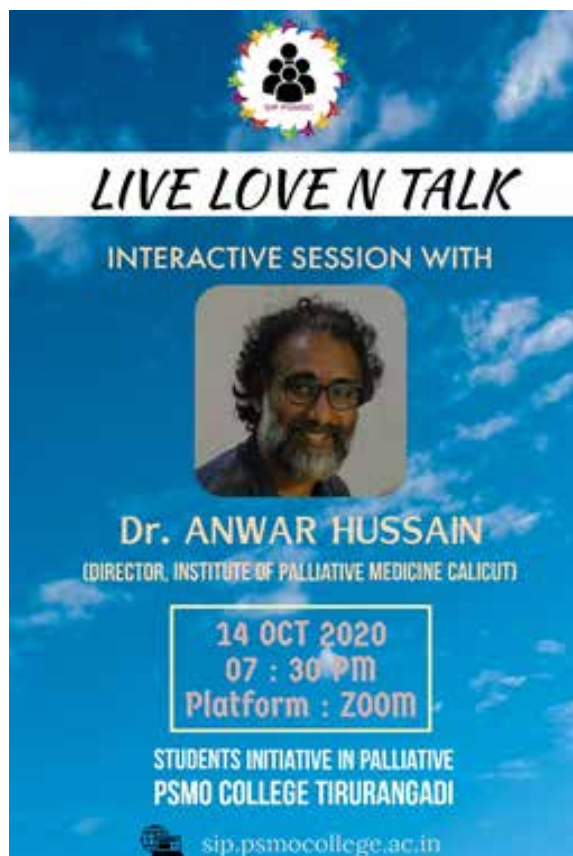

RADIO TALK

SIP unit of the college organised a radio talk titled 'Koottirippu' from 23 April to 23 May, 2020 during the lockdown period. It was conducted on whatsapp group where the guests shared their life experiences and responded to the queries raised by SIP volunteers. Guests for each session comprises of eminent personalities from Pain and Palliative care.

LIVE LOVE N TALK

SIP Unit conducted an interactive session with Dr Anwar Hussain, Director, Institute Of Palliative Medicine, Calicut, on 14 October, 2020 on Zoom Platform. Hadiya MK, General Secretary, SIP PSMO, extended welcome. It was an interactive session in which Dr Anwar Hussain shared his experiences which he had from his palliative and medical career. Shahana Sharthu, Volunteer, SIP PSMO, proposed vote of thanks.

VARAM 2020

SIP PSMO in association with Varam, Department of PMR, Tirur District Hospital and NSS unit celebrated the International Day for Differently Abled on Zoom platform on 3 December, 2020. Dr K Azeez, Principal, gave the welcome address and MK Bava Sahib, chaired the function. Dr Anil Vallathol, Hon Vice Chancellor, Malayalam University, inaugurated the programme. Dr Vinod, Assistant Director, Kerala Health Service, Noor Jaleela, Social Activist, Artist, P. Krishnakumar, MIND organisation, addressed the audience. Musical event was led by Firoz Babu, Renowned Singer. The students programmes were coordinated by SIP and NSS volunteers. K Hamza, Rabiya Foundation, Abdul Rasheed, PARIVAR, Badarussamaan, AKWRF, Munavver Azeem, NSS Coordinator, Nizamudeen, IQAC Coordinator, Dr Shibu, Staff Club Secretary, Dr Baburajan, Dept of Malayalam, extended felicitations. Abdul Azeez, President, SIP, proposed vote of thanks.

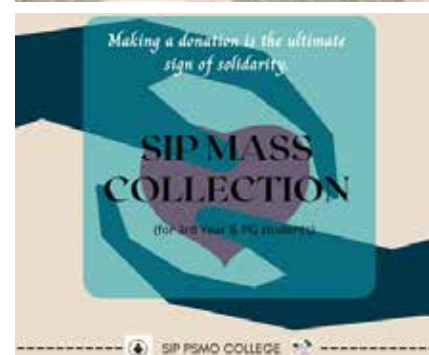

PALLIATIVE CARE ORIENTATION CAMP

An orientation camp for first year students was held on 13 & 14 January, 2021 by strictly following Covid protocols. The session was engaged by Munavver Azeem, NSS Programme Officer who talked on Palliative Care and its importance in the present scenario.

SIP MASS COLLECTION

SIP unit conducted mass collection as part of annual fund raising campaign on 18 January and 25 February, 2021.

Coordinator

A study centre of Indira Gandhi National Open University has been functioning in the college since 1992. The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build

an inclusive knowledge society through inclusive education.

IGNOU offers high quality teaching through the Open and Distance Learning (ODL) mode. The University began by offering two academic programmes in 1987, i.e., Diploma in Management and Diploma in Distance Education, with an intake of 4,528 students. Today, it serves the educational aspirations of over 3 million students in India and other countries through 21 Schools of Studies and a network of 8 regional centres, around 2,667 learner support centres and 29 overseas partner institutions.

The University offers about 228 certificate, diploma, degree and doctoral programmes, with a strength of nearly 810 faculty members and 574 academic staff at the headquarters and regional centres and about 33,212 academic counsellors from conventional institutions of higher learning, professional organisations, and industry among others.

To achieve the twin objectives of widening access for all sections of society and providing continual professional development and training to all sectors of the economy, the University uses a variety of media and latest

technology in imparting education.

In PSMO College, those who have completed 18 years of age can join for a six month preparatory course under the open stream of the University. The successful completion of this course will enable the students to join for BA/B.Com/BTS courses offered at this centre. The study centre also offers Post Graduate courses in English, Commerce and Sociology. Moreover, a number of certificate courses are also offered. The Degree and PG students of the college can also join these certificate courses as IGNOU classes are conducted on holidays.

PUBLICATION OF BOOKS/CHAPTER IN BOOKS

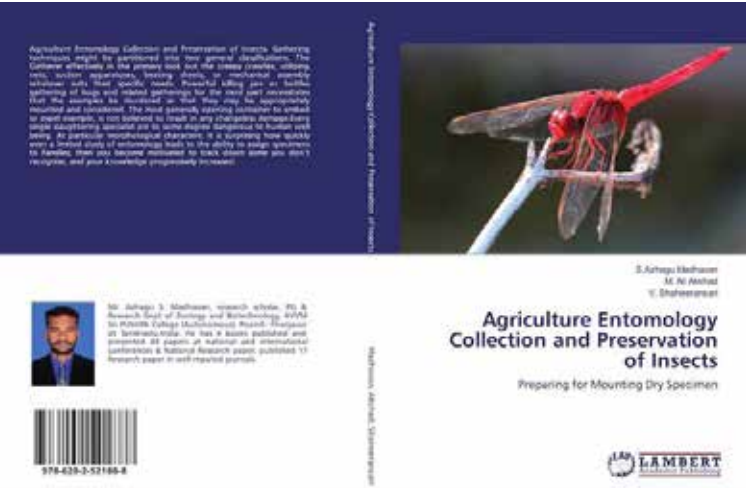

BOOKS

Dr. Mohamed Noufal N and Abdul Samad K, Assistant Professors, Dept. of English edited the book entitled **Transnationalism, Nation-states, and the global south: literary and cultural dialogues**, Open Read Publications, Calicut, ISBN

Dr. Rashid T P, Assistant Professor of Physics, authored the book entitled **Field Induced Magnetic Transition Driven Large Magnetic Entropy Change In Dy₁₀Co₂₀Si₇₀ Alloy** Published by SIAS International Publishers: ISBN: 978-81-953135-1-8

Dr. M. Ali Akshad, Assistant Professor of Zoology, authored the book **Agriculture Entomology Collection and Preservation of insects Preparing for mounting Dry specimen**, In: Lambert Academic Publishing: ISBN 978-620-2-52188-8 (2020)

Raseem Abdul Khader P & Dr. Nissar P, Research Dept. of Commerce and Management Studies, authored the book entitled **Green Human Resource Management – An Introduction**, Pulished by Lambert Academic Publishing : ISBN 13: 978-620-3-02870-6 (2020)

Tax is a compulsory extraction of money from people, by an authority, to be spent for the common benefit of the society. No government can run a country without revenue, one of the major sources of revenue is taxation. No government can function properly without adequate financial resources. Hence the government has the right to levy and collect tax. Taxes can be classified as Direct and Indirect tax. Direct taxes encompass those taxes where impact and incidence falls on the same person. Indirect taxes are basically taxes that can be passed on to another entity or individual. They are usually imposed on a manufacturer or supplier who then passes on the tax to the consumer. The book is intended to give an idea on Goods and Service Tax (GST) and customs act. GST is the biggest ever reform in the indirect taxes.

Raseem Abdul Khader P.
Aboobacker Siddeeq K. C.

Indirect Taxation

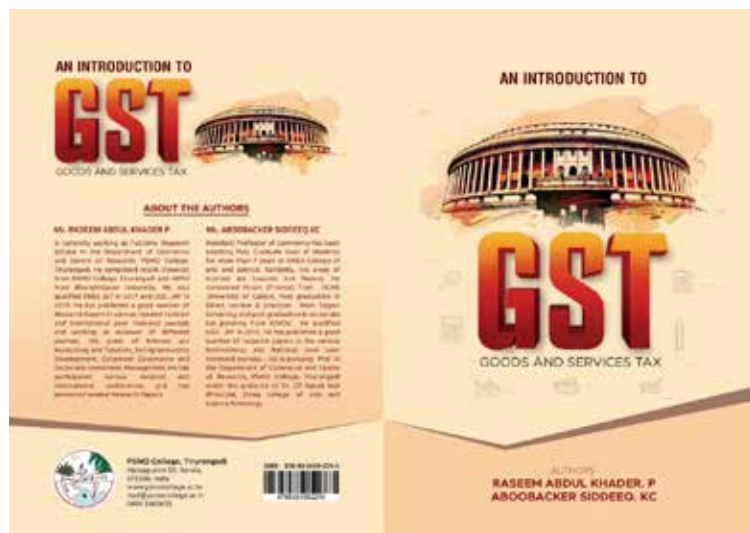

Mr. Raseem Abdul Khader P is currently working as Full time Research Scholar in Research Department of Commerce & Management Studies, PSMO College Tirurangudi, Kerala. Mr. Aboobacker Siddeeq KC, Assistant Professor of Commerce has been teaching post graduate level of students for more than seven years at EMEA College of Arts and Science, Kandy.

Aboobacker Siddeeq K. C.

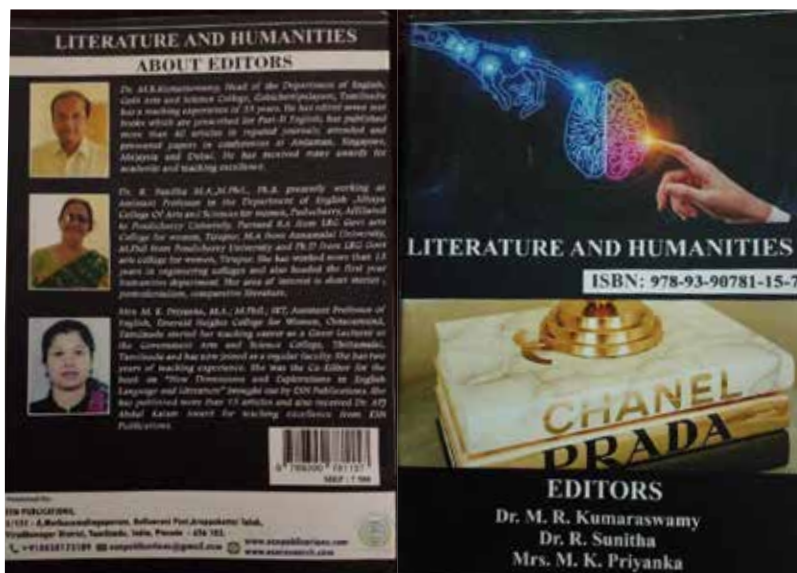

Raseem Abdul Khader P & Aboobacker Siddeeq KC, Research Scholars, Research Dept. of Commerce and Management Studies, authored the book entitled **Indirect Taxation** Published by Lambert Academic Publishing: ISBN - 13: 978-620-3-02521-7 (2000)

Raseem Abdul Khader P & Aboobacker Siddeeq KC, Research Scholars, Research Dept. of Commerce and Management Studies, authored the book entitled **Goods and Services Tax** published by the Publication Division, PSMO College Tirurangudi: ISBN: 978-93-5408-224-5 (2020)

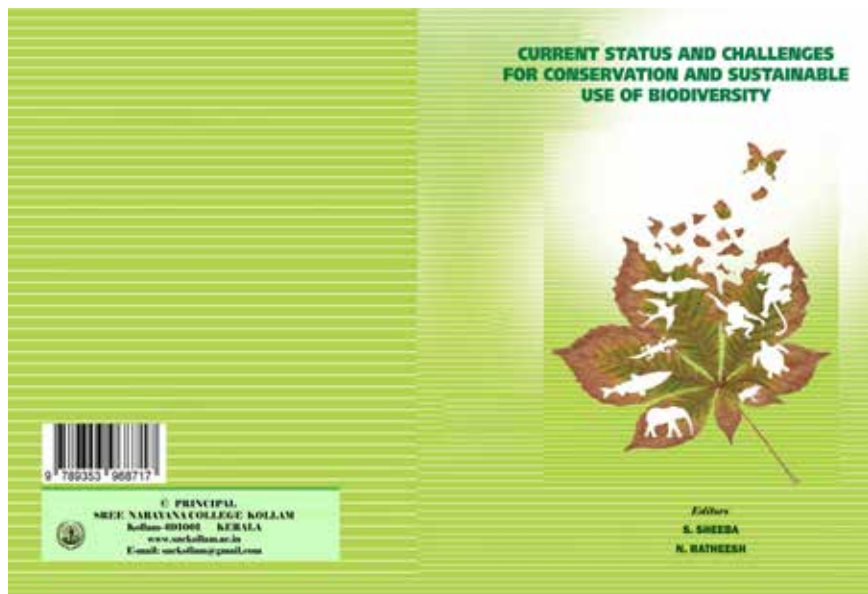

CHAPTER IN BOOKS

Ms. Shamna R, Assistant Professor of English, authored the chapter entitled **Folksongs Re-inscribed: The Indigenous Cultural Exertions in The Autobiography of a Maori and Moon and Rainbow** (Literature and Humanities): ESN Publications: ISBN 978-93-90781-15-7, (2021)

Mr. Nissamuddeen Kunnath, Assistant Professor of Physics, authored the chapter entitled **Piezoelectric Performance of Lead-Free BNGN Ceramics** at MPB as a Green Material for Transduction Applications in Emerging Technologies for Sustainability: Proceedings of the Annual International Conference on Emerging Research Areas (AICERA 2019) Kottayam, Kerala. CRC Press (2020)

Dr. Nimisha P, Assistant Professor of Zoology, authored the chapter entitled **Study of abundance of diversity of planktons, benthic fauna and fishery resources in Kole paddy field of Maranchery Kule wetland, Kerala, India**: ISBN- 978-93-5396-871-7 (2020)

PAPER PRESENTATION OF TEACHERS IN ACADEMIC CONFERENCES

Sl. No	Name of the Faculty	Details of the Paper	Organising Institution	Date
1	Mr. P Sirajudheen Dept. of Chemistry	Adsorptive removal of toxic dyes from water using magnetic Fe ₃ O ₄ imprinted graphene oxide-carboxymethyl cellulose composite in the International Online Conference on 'Creative Research in Chemical Science and Allied applications' (CRCSA-2020)	PG Department of Chemistry, SDM College (Autonomous), Ujire, Karnataka	18 & 19 August 2020
2	Dr. Prajitha Kumari Dept. of Chemistry	Influence of Metal Encapsulation and Dual Template Synthesis on Catalytic Activity of Zeolite Beta"	Kamaraj College Thoothukudi	February 2021
3		'Enhancing the textural and structural properties of nanocrystalline ZSM-5 using Fe, Zn and La'	SRM Institute of Science and Technology, Kattankulathur	February 2021
4		Enhancing Catalytic Power Of Zeolite Beta By Copper and PMMA'	Mahatma Gandhi University, Kottayam, Kerala, India .	December 2020
5	Dr. Sreesha CH Dept. of Commerce	Entrepreneurial Intention Level of Technical Studnets towards Software startups in the International Virtual Conference on Post Covid Global Scenario	St. Joseph College, Irinjalakuda	28 th January 2021
6	Dr. Shibu S Dept. of Economics	Institutional Governance and the Problem of Rehabilitation of return Emigrants of Kerala in the Inter-University Lecture	University of Kerala	12 August, 2020
7		COVID 19 Pandemic, Mobility and the Problems of the Labour Market of Kerala, Theme Paper presentation in the international webinar on Covid-19 Pandemic and Labour Mobility of Kerala: Determinants and Recommendations for Change	Department of Economics, PSMO College Tirurangadi	19 th March 2021
8	Ms. Shamna R Dept. of English	Aboriginal Australians as the Ostracized Aliens: A Discourse of Cultural nihilism and Self-revivification in the Autobiography of Isabel Flick in the International Webinar Series on Art & Culture: Intricacies of research and Publishing	KNM Govt College, Trivandrum	3 rd to 7 th March 2021
9		(Re)righting Culture: an Ethno-autobiographic Reading of <i>Moon and Rainbow</i> in the International Online Conference on Multidisciplinary Research and Innovations	ESN Publishers, Chennai	3 rd to 9 th September 2020
10	Mr. Mohamed Haseeb N Dept. of History	<i>Musical Oars in the Arabian Sea: A Voyage to the Kolkali Performance of Mappilas of Malabar</i> in the Online International conference Annual Meeting of the 65 th The Society For Ethnomusicology, Canada	Society for Ethnomusicology, an International organization at Canada	October, 22-31, 2020.
11		<i>Where Spices Love Music, Emotion and Vigour</i> in the International Webinar of The Royal Musical Association's Research Students Conference	British Forum for Ethnomusicology, University of Cambridge	12-14, January 2021
12	Sameer Poongadan Dept. of Mathematics	<i>A Hybrid Deep Learning Network for Atmospheric Carbon Monoxide Prediction in the Indian Region</i> in the Online International Conference on Computational Sciences-Modelling, Computing and Soft Computing.	Dept. of Mathematics, NIT Calicut.	10 th to 12 th September 2020
13		Presented the paper <i>Forecasting of Time Series using Ensemble Empirical Mode Decomposition and Moving</i> in 2-day National Seminar on Mathematical Research in Education and Industries	Sir Syed College, Taliparamba	16 th & 17 th January 2020
14	Dr. Nimisha P, Dept. of Zoology	<i>Study of abundance of diversity of Planktons, benthic fauna and Fishery resources in Kole Paddy fields of Maranchery Kole Wetland, Kerala, India</i> in the online International conference on Current status and challenges for conservation and sustainable use of biodiversity (ISCCB 2020)	PG and Research Department of Zoology, SN College, Kollam	22 nd to 24 th January 2020

15	Dr. Ali Akshad M. Dept. of Zoology	<i>A comparative study of zooplankton diversity and abundance from three different stations of Kadalundi river estuary in the Online International conference on challenges to environment and health</i>	P.G Department of Zoology Jamal Mohamed College (Autonomous), Trichy, Tamil Nadu	30 th January 2020
16		<i>Fish faunal diversity in mangrove based estuary of Kadalundi river, Kerala, south India in the Online IInd international conference on Challenges to environment and Health</i>	P.G Department of Zoology Jamal Mohamed College (Autonomous), Trichy, Tamil Nadu	18 th & 19 th November 2020
17	Mr. Sidheek KT Dept. of Zoology	<i>Comparative studies on order odonata diversity in mangroves and paddy field ecosystem of Malappuram district, Kerala, south india in the Online MESMAC International Seminar</i>	MES Mampad college (Autonomous), Malappuram	29 th January 2021
18	Mr. Raseem Abdul Kader	<i>The Role of Entrepreneurial Competencies on Overcoming the Challenges of COVID-19 Pandemic among Entrepreneurs- An Evidence from Hotel Industry in Kerala</i>	International Virtual Conference 2021 on Post Covid Global Scenario: Threats and Opportunities organized by ST. Joseph's College (Autonomous), Iringalakkuda	28 th January 2021

INVITED LECTURES BY MEMBERS OF THE FACULTY

SI No	Name of the Teacher	Details of the Paper	Organising Institution	Date
1	Dr. Mustafaanand PH HoD of Botany	Application of Botany in daily life	Samagra Siksha Keralam by BRC Kuttippuram.	1 November 2020
2	Dr. Aneesh MH HoD of Chemistry	Application of Group theory in Chemistry	Department of Mathematics, Kannur University	18 March 2021
3	Dr. Basheer MC Asst. Professor of Chemistry	Career Opportunities in Chemistry	Department of Chemistry & Research Centre St. Albert's College (Autonomous), Ernakulam	22 July, 2020
4		A revisit to career prospects in Chemistry	Department of Polymer Chemistry & IQAC, NAM College, Kallikkandy	4 August, 2020
5		How to set up career prospects in Chemistry	IQAC & PG and Research Department of Chemistry, MES Kalladi College, Mannarkkad	6 August, 2020
6		Career Opportunities in Chemistry	Department of Chemistry, MAMO College, Manassery on the topic	3 August, 2020
7	Dr. Sreesha CH HoD Commerce	Webinar on Insight to Research	Farook Arts & Science College Kottakkal	9 September 2020
8		Webinar on How to write a Research Synopsis	EMEA College, Kondotty	22 August 2020
9		Webinar on Gateway to Research	CHMKM Govt. College, Tanur	25 July 2020
10	Mr. Noushad C, Asst. Professor of Economics	Student Induction Programme 2020	Department of Economics, MAMO College, Manassery, Mukkam	6 November 2020
11		Induction Programme for Freshers	Department of Economics, Al Ameen College, Edathala	9 November 2020
12	Mr. Ajmal MP Asst. Professor of English	"Syntax: The Structure and Patterns of English Language" - in the Ten day Multidisciplinary National level webinar series.	SAFI Institute of Advanced Study, Vazhayoor, Kerala	22 to 31 May 2021
13	Dr. Haris K Asst. Professor of English	Inauguration of English Club & Partager, The Students' podcast	Alshifa College of Arts and Science, Keezhattur, Poonthavanam, Malappuram	12 January 2021
14		Approaching Literature: Academics and Aesthetics	MES College, Mampad	27 Oct 2020
15	Dr. Baburajan K, HoD of Malayalam	<i>International Peace</i> as part of the celebration of International Peace Day	Majlis Arts and Science College, Puramannur	21 September 2020
16	Mr. Mohammed Shareef PK, Asst. Professor of Malayalam	Memories on Vaikam Muhammed Basheer on Basheer commemoration Day	Library Club and Reader's Forum, PSMO College	5 July 2020

PARTICIPATION OF TEACHERS IN SEMINARS/ WEBINARS/WORKSHOPS

Sl. No	Name of Faculty	Title of the Programme	Organised by	Date
DEPT. OF ARABIC				
1	Subair P	Online International seminar on Standard Language on Social Media Channels	Mohd Bin Rashid Al Maktoum Foundation, UAE	18 December 2020.
2		Online International seminar on Comparative Literature: Theory and Application	Centre for Arabic and African Studies , JNU New Delhi	22&23 August 2020.
3		Webinar on International Arabic Day	The Department of Arabic, University College, Thiruvananthapuram	20 December, 2020
DEPT. OF CHEMISTRY				
4	Dr. Aneesh MH	International webinar on Strategic Planning in Higher Education: International Perspectives	Internal Quality Assurance Cell (IQAC),PSMO College Tirurangadi on	14 August 2020
5		Prof. M V George Memorial Lecture Series on “ Inspiring thoughts it Chemical Sciences”	Calicut Chemistry Collective (CCC)	October 2020
6		Prof. M V George Memorial Lecture Series on “Basics of Quantum Chemistry -I will attend, will you?” organized by the	Calicut Chemistry Collective (CCC)	19 December 2020.
7		Online workshop on Virtual Labs organized by	PSMO College Tirurangadi	30 September 2020
8		National Webinar on NAAC Quality Enhancement Techniques presented by Dr. N.S Dharmadhikari, NAAC	organized by the Internal Quality Assurance Cell, PSMO College Tirurangadi.	15 September 2020
9		National Webinar on Social Enterpreneurship swatchhata and Rural Engagement	SESREC, PSMO College Tirurangadi.	10 October 2020
10	Dr. Prajitha Kumari	National Webinar on Social Entrepreneurship swatchhata and Rural Engagement	SESREC, PSMO College Tirurangadi.	10 October 2020
11		National Webinar on NAAC Quality Enhancement Techniques presented by Dr. N.S Dharmadhikari, NAAC	15th September 2020, organized by the Internal Quality Assurance Cell, PSMO College Tirurangadi.	15 September 2020

UGC NATIONAL ELIGIBILITY TEST & JUNIOR RESEARCH FELLOWSHIP

NET/JRF

The Department of Commerce, English, History and Mathematics offer NET/JRF coaching to students regularly every year. During this academic year, due to the unexpected outbreak of COVID19 and the subsequent lock down, the classes were handled on online platforms in April and May. The following students qualified JRF and NET during the academic year 2020-21.

MERITORIOUS ACHIEVEMENTS OF THE TEACHERS AND THE DEPARTMENTS

INNOVATION & ENTREPRENEURSHIP ECOSYSTEM IN PSMO COLLEGE

PSMO College, a forward thinking and innovative educational institution, is proud to share its entrepreneurial activities to enable its students to get firsthand experience in entrepreneurship. Entrepreneurial activities play a pivotal role in creating employment opportunities that enhance the productivity and promote national economic development. For promoting entrepreneurial activities among the students, a special innovation & startup policy has been implemented on the campus and different organizations and an incubation centre have been formed in the college. The details are given below.

PSMOC's Research, Innovation and Incubation Centre for Entrepreneurship (PRIICE)

PRIICE is an incubation centre set up on 1 January 2020 to promote innovative programmes and projects at the institute. It provides a comprehensive and integrated range of support including incubator space, mentoring, training programmes and networking opportunities to the entrepreneurs. A highly competitive and fast changing world of today has necessitated the establishment

of the incubation centre on the campus, which imparts training sessions in innovation and entrepreneurship delivered and encouraged by faculty, management and experts from industry. It is a platform where students, research Scholars, Alumni and students from neighboring institutions are nurtured and motivated to develop in them innovative entrepreneurial skills.

ORGANIZATIONS AND CLUBS UNDER PRIICE

I. Institution Innovation Council (initiated by Ministry of Education)

IIC is a student centric body headed by the faculty of the institute with active representation of Entrepreneurship faculty, experts from regional ecosystem enablers, students, pre-incubation and incubation centres within and outside the institute. The council works in synergy to provide a platform to encourage, inspire and nurture young students by giving them greater exposure to newer ideas and processes which are resulted in innovative and entrepreneurial activities. MHRD's Innovative Council (MIC) encourages the formation

of Institution's Innovation Council (IIC) in selected HEIs. PSMO college formed an IIC on the campus in the academic year 2020-21.

Council

President: Dr. Abdul Kareem. T, Department of Physics

Convener: Dr. Sreesha CH, Department of Commerce

II. Rural Entrepreneurship Development Cell (Initiated by MGNCRE)

Rural Entrepreneurship Development Cell (REDC) is an initiative of Mahatma Gandhi National Council of Rural Education under the Ministry of Education to promote the entrepreneurship in Rural Context. REDC cell started functioning in PSMO in the academic year 2020-21.

REDC Coordinator: Dr. Abdul Kareem. T, Department of Physics.

III Young Innovators Program (Initiated by K-DISC)

Young Innovators Program (YIP) is initiated by Kerala Development and Innovation Strategic Council (K-DISC) and started functioning in PSMO from 2020-2021. Young Innovators Programme is a

specialty designed programme under Kerala Development and Innovation Strategic Council (K-DISC). The programme aims at empowering future innovators to innovate new products, services or models to meet emerging requirements, unarticulated needs, or existing market needs of the society more effectively through an innovative challenge.

YIP Coordinator: Dr. Abdul Kareem. T, Department of Physics

YIP Facilitators: 1) Dr. Abdul Kareem. T, Department of Physics
2) Dr. Ahammed Shareef. P.A., Department of Zoology

IV Innovation and Entrepreneurship Club (IE Club)

Innovation and Entrepreneurship Club (IE Club) is an initiative of PSMO College to bring the interested students under single umbrella to promote entrepreneurship culture on the college campus. Currently there are 106 members in the club (2020-21)

IE Club Coordinator: Dr. Abdul Kareem. T, Department of Physics

IE Student Coordinator: Sabeel Danish, Department of Physics

SES REC INSTITUTION' STATUS FOR PSMO

PSMO College has been awarded with the status 'Recognized Social Entrepreneurship, Swachhta & Rural Engagement Cell (SEC REC) Institution' by Mahatma Gandhi National Council of Rural Education (MGNCRE). MGNCRE's recognition came as an appreciation for the good works carried out by the Rural Entrepreneurship Development Cell (REDC). The REDC of PSMO College is a cell working under the Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Education, Govt. of India. It aims to encourage students community to take up rural entrepreneurship as their career.

PSMOC SAVE ELECTRONICS LLP

The PSMOC SAVE ‘E’ ELECTRONICS LLP is a startup incubated in the PSMO College, Tirurangadi for the manufacturing of new electronic devices using the technology developed by ourselves. The company has been registered as LLP under the Government of India Ministry of Corporate Affairs (LLP Identification Number: AAS-9685).

Recently, the company has filed a patent titled ‘Infrared Rays Controlled (IRC) Automatic ON/OFF technology’(Ref. No. 202041000197, Application no. TEMP/E1/57431/2019-CHE).

The company manufacture Infrared Rays Controlled (IRC) Automatic ON/OFF outdoor lights namely,Infrared Controlled Automatic ON/ OFF LED Street Light (IRC LED Street Light), Infrared Controlled Automatic ON/OFF LED Bulb (IRC LED Bulb), Infrared Controlled Automatic ON/OFFBulb Holder (IRC Bulb Holder).We provide part time/full time job opportunities for the students of PSMO College in manufacturing, advertising and marketing of our products. Students of the science and arts stream of the college will get the benefits of the company. Training programmes and certificate courses for the students and kudumbrashree workers are also conducted. Hands on training on ‘LED Bulb Making and Repairing’ is one of such programmes planned to conduct in the college. This technology and these devices have great relevance in the society has they smartly save power. Ours is the company which introduced the product ‘Automatic ON/OFF Bulb Holder’ for the first time in the market.

PRODUCTS

- 1. IRC LED Street Light (Infrared Controlled Automatic ON/OFF LED Street Light)**
14 W, 24 W, 30 W, 40 W, 50W, 60 W
- 2. IRC LED Bulb (Infrared Controlled Automatic ON/OFF LED Bulb)**
18 W, 27 W, 30 W, 36 W, 40 W, 50 W
- 3. IRC Bulb Holder (Infrared Controlled Automatic ON/OFF LED Bulb Holder)**

FEATURES OF OUR PRODUCTS

- ▶ Automatic ON/OFF. Go On automatically at dusk and go Off at dawn. Switch or remote is not required to operate the device.
- ▶ No LDR or timer circuit is used. ‘Infrared Rays Controlled Automatic ON/OFF technology’ - the newly invented patented technology - is used.
- ▶ High accuracy and fast response: Other lights like, moon light, tube light, neon lamp light and lightning do not affect the operation of this bulb. The ON/OFF operation is strictly controlled by the infrared rays from the sun. So, these products work well even in the countries where the day/ night is shorter/longer and where there is cloudy season too.
- ▶ Long Life: Since the entire sensing circuit is well enclosed inside the body of the bulb/holder/streetlight, the presence of snow, moisture, dust or rain in the atmosphere does not damage the bulb/holder/streetlight. Thus, they get long life.
- ▶ 1 year warranty for all products

COMPARISON OF IRC TECHNOLOGY WITH THE EXISTING LDR TECHNOLOGY

No	LDR Technology	IRC Technology
1	A separate window is given for LDR sensor to receive light	No separate window is given for the sensor. The entire sensing circuit is well enclosed inside the IRC bulb/streetlight.
2	If the sensor is covered by the dust, leaf, the moisture, or any particle from the atmosphere, the sensor will not work and the bulb/street light will remain in ON position. As a result, the bulb/street light glows continuously even in the day time which cause energy loss and reduce its life span.	Since the infrared rays pass through the dust, leaf or the moisture the deposition of such obstacles on the sensor do not affect the functioning of the bulb/ streetlight/holder.
3	Short life	Long life
4	The LDR sensor can detect all kinds of light from nearby sources like tube light, moon light, neon lamp light and lightning, etc. and this may adversely affect the proper functioning of the bulb/ streetlight	It detects infrared rays only. No other lights except infrared rays can affect its functioning.
5	LDRs are highly inaccurate with high response time: On the receipt of the light from other sources, the resistance varies continuously in photo resistor and are rugged in nature. If the temperature of the atmosphere changes, LDR will give inaccurate result. So, the LDRs are highly inaccurate with high response time	High accuracy and fast response: Since its operation is strictly controlled by the infrared rays from the sun, the IRC technology has high accuracy and fast response
6	Does not work well in the cloudy season	Works well in the cloudy season too

COMPARISON OF IRC TECHNOLOGY WITH THE EXISTING TIMER CIRCUIT TECHNOLOGY

No	TIMER CIRCUIT	IRC TECHNOLOGY
1	A timer circuit is required for its operation	No need to setting up a scheduled timer for the lights. The lights go ON only when the density of infrared rays from the sun is low
2	Complicated design	Simple design
3	Not applicable in the countries/ place where the day/night is shorter/longer.	Applicable anywhere and even in the countries where the day/night is shorter/longer.

OUR PRODUCTS

IRC LED STREET BULB

(Infrared Controlled Automatic ON/OFF LED Street Bulb)
(18W, 27W, 36W, 40W, 50W, 60W)

IRC LED STREET LIGHT

(Infrared Controlled Automatic ON/OFF LED Street Light)
(24W, 30W, 40W, 50W, 60W)

IRC BULB HOLDER

(Infrared Controlled Automatic ON/OFF LED Bulb Holder)

LED Bulbs of any watt can be fitted to the IRC Bulb Holder so that it will turn ON/OFF automatically

IRC SENSOR KIT

(for High Mass Street Lights)

Using a single sensor kit, high mast street lights upto 1000W can be controlled

**1 year
warranty for
all products**

PSMO COLLEGE TIRURANGADI

Saudabad, Tirurangadi, Malappuram - 676 306

FEATURES

- ▶ LED Bulb of any Watt can be used
- ▶ Automatic ON/OFF. Go ON automatically at dusk and go OFF at dawn
- ▶ Dimension: Length = 12.5 cm, Breadth = 6.5 cm

CURRENT RESEARCH

Radio and Infrared waves embedded single wireless automatic ON/OFF switching system to control several outdoor lights

APPLICATIONS OF THE IRC STREET LIGHTS/BULB/HOLDER

- ✓ Outdoor Function
- ✓ Petrol Pumps
- ✓ Malls
- ✓ Community Hall
- ✓ Factory/Workshop
- ✓ Railway Station
- ✓ Agricultural Field
- ✓ Petrol Pumps
- ✓ Malls
- ✓ Community Hall
- ✓ Factory/Workshop
- ✓ Railway Station
- ✓ Agricultural Field
- ✓ Forests

PRODUCTS DETAILS

IRC LED Street Light (Infrared Controlled Automatic ON/OFF LED Street Light)

Input Voltage	220 - 240 V
IP Rating	IP66
Lighting Type	LED
Power	24 W, 30 W, 40 W, 50W, 60 W
Lighting Color	Cool White
Usage/ Application	Outdoor
Certification	ISI
Body Material	Chrome
Color Temperature	6500K
Luminous Flux	110 Lm/W
Dimension	395mm X 195mm X 60mm
Surge Protection	4.5 KVA
Frequency	50Hz
Lifetime	50000 Hours
Lumens	5500 Lumens
Driver Efficiency	>90 %

SCHOLARSHIPS

Dr. Basheer M.C
Scholarship Officer

Central and State Government offer various scholarships for talented and financially backward students. They are Central Sector Scholarship, Suvarna Jubilee Merit Scholarship, CH Muhammed Koya Muslim Girls Scholarship, Indira Gandhi Single Girl Child Scholarship, Post Metric Scholarship, Higher Education Scholarship, PG Merit Scholarship and Snehapoorvam Scholarship

INSPIRE SHE SCHOLARSHIP

INSPIRE Scholarship for and Basic Sciences. Under Higher Education (SHE) is SHE, each selected candidate a scholarship programme receives ₹80,000 annually implemented by the Dept. for pursuing any subject of Science and Technology (DST), Government of India. Natural or Basic Sciences.

It is a scholarship scheme that comes under Innovation in Science Pursuit for Inspired Research (INSPIRE), a flagship programme of DST. It is meant for meritorious students undertaking bachelor's and master's courses in Natural

SUMMER RESEARCH FELLOWSHIP PROGRAMME

The Central government offers summer fellowships for two months to bright undergraduate and postgraduate students of science studying in India. This programme has been popular and competitive. Each year, about 2000 students from all over India apply for the 80 fellowships. All the fellowships are supported by the Department of Science & Technology, Government of India. Students are placed with research groups at

JNCASR or with scientists elsewhere in India. They are paid a monthly stipend of Rs.10,000/- and travel expenses. Selected students get the opportunity to participate in cutting-edge research and several summer projects have been published in leading journals. Many of the students of summer fellowship have pursued a research career at leading research institutes JNCASR or central universities.

Mr. Nabeel P
VI B.Sc. Zoology

Selected for Summer Research Fellowship Programme by Indian National Academy of Science, Bangalore. He carried out research at IISER Berhampur, Orissa.

Ms. Thasleena K P
IV Sem. BSc Physics

Selected for Summer Research Fellowship Programme at Manipal University, Karnataka

Ms. Sanaha Zainab
IV Sem. BSc Physics

Selected for Summer Research Fellowship Programme at Indian Academy of Sciences, Bengaluru.

Ms. Rumaisa NM
IV Sem. M.Sc. Chemistry

Selected for Summer Research Fellowship Programme. She carried out research at Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR) Bangalore.

Mr. Ameer Favas
IV Sem. BSc. Botany

Selected for Summer Research Fellowship Programme at Indian Institute of Science Education and Research (IISER), Thiruvananthapuram.

PSMO COLLEGE ALUMNI ASSOCIATION SCHOLARSHIP 2020-21

The PSMO College Alumni Association has always been considerate and kind enough to help the poor and deserving students of the college. The motto of the Association is 'No students shall be devoid of education and food due to lack of means'. With this motive, the association contributes a sum of money not less than Rs. 5 lakh every year. Initially this scheme was started by UAE Alumni Chapter, later other chapters, viz., Jeddah, Riyadh and Qatar also joined the scheme. College utilises this fund for meeting the expenses incurred on students' purchase of study materials and uniform, providing midday meals, meeting conveyance and medical expenses.

NATIONAL CADET CORPS (NCC) 2020-21

PSMO COLLEGE TIRURANGADI SUB UNIT - 29 KERALA BATTALION NCC

ANO

Lt. Nissamuddeen Kunnath
Dept. of Physics

Mr. Sreekanth L Sudhakaran
Senior Under Officer

For NCC units of the college, 2020-'21 was a vibrant academic year. The organization has conducted a lot of activities of social and environmental significance besides the activities meant for the individual development of the cadets. Major activities conducted by NCC are as follows:

The sub unit completed its 52nd Anniversary in the academic year 2020-21. It had a humble beginning with a platoon of sixty cadets in the year 1968. Since then, this sub unit has had a rapid growth. The NCC sub unit of this college is affiliated to 29 Kerala Battalion NCC Calicut University with a strength of 106 cadets.

ENROLMENT

107 cadets enrolled NCC current year. The year wise details of enrolment are:

YEAR	SD	SW	TOTAL
I year	18	15	33

The NSS Units of PSMO College conducted lots of innovative programmes during the academic year 2020-2021 under the programme officers, Dr. N Roopesh, Department of Mathematics, Dr. Abdul Naser V and Dr. Munavver Azeem of the Department of Commerce and Management Studies.

The NSS Units of the College organises large number of programmes every year including the mandatory seven day special camps. But during the academic year 2020-21, due to the spread of COVID-19 Pandemic and subsequent lock-down, the NSS activities on the campuses were adversely affected. Despite of the unfavourable circumstances, the programme officers and NSS Volunteers planned and implemented many programmes on virtual mode during the period of lock down. When the college resumed classes offline partially on 4 January 2021, some programmes were organized on the campus. As per the instruction received from the University of Calicut, NSS special camp was also organized with various specialized events.

The innovative programmes organized online and offline mode during the academic year 2020-2021 under the leadership of the programme officers, Dr. Abdul Naser.V and Dr. Munavver Azeem of the Department of Commerce and Management Studies are listed below.

KEY HANDING OVER OF 'CHENGAYIKKORU PERA'

One of the major highlights of the NSS for the academic year 2019-20 was the decision to build a house to one of the most needy students of the college with the title 'Chengayikkoru Pera' ie. 'House for a friend'. With the help and support of the Management, staff members, Alumni Association members, the entire students of the college and the general public, the construction of the house was completed in July, 2020. A student studying in fifth Semester BA Economics, who had been staying in a small rented line quarters at Chemmad was selected by the committee concerned and a concrete house was constructed at Attakulangra, Thangal's Road, Pathinaarungal, Tirurangadi by spending an amount of Rs.6 lakh. The key handing over function of the house was held on 28 July, 2020 at 9:30 am. Jb. MK Bava Sahib, Chairman, College Managing Committee, attended the function as chief guest. Dr. Azeez K, Principal, Dr. PM Alavikutty, Former Principal, Dr. Roopesh N, Dr. Abdul Nasar V, Dr. Munavver Azeem, the NSS Programme Officers, Dr. Aneesh MH, Staff Club President, Mr. Nissamuddeen Kunnath, IQAC Coordinator, Mr. Muhammed Shaju, General Secretary, Alumni Association, Mr. Abdul Basheer, Office Superintendent and NSS Volunteers also attended the function.

Chengayikkoru Pera: The newly constructed house

Jb. MK Bava Sahib, addressing the gathering

Dr. Aneesh MH, President Staff Club, offering felicitation

Jb. MK Bava Sahib, Manager, Principal and other dignitaries entering the newly constructed house

Mr. KT Muhammed Shaju, Alumni Association General Secretary, extending felicitation

Jb. Bava Sahib, Chairman College Managing Committee, handing over the key of the house constructed under the scheme *Chengayikkoru Pera*

NSS volunteers with Manager, Principal and NSS programme officers

ITHIRI NERAM

The unexpected outbreak of the COVID 19 Pandemic in March 2020 and the subsequent imposition of lock down took the academic world to an unprecedented embarrassed situation. It has brought a lot of psychological issues among student community. Under this circumstance, an online programme was arranged for the students of the college to help them bring mental solace and the feeling of belongingness and happiness, though physically distanced. The programme was titled 'Ithiri Neram' and Mr. Muhammed Haseeb, singer, performer of mappila art and Assistant Professor of History, attended the programme as the chief guest. The programme was held on 2 August, 2020.

YUVAVANI PROGRAMME OF MANJERI FM STATION

During the locked down period, when all areas of lives were adversely affected, the Manjeri FM 10.27 took initiative to organize a very special programme for college students on 16 August 2020, in which they could present how they spent their time during the pandemic, rendering them relaxation from the stress caused by the spread of corona virus. Three NSS volunteers attended the programme conducted on offline mode and presented various activities done during pandemic.

'AGROQUARANTINE'

When COVID 19 brought forth unprecedented stress and strain among the student communities, the NSS Units came up with an innovative programme titled 'Agroquarantine'. The volunteers were asked to cultivate some vegetables in their kitchen garden, on roof top garden or in their surroundings by following the organic agricultural practices. By this process students got double benefit; they learned the practice of organic farming and also they feel the happiness of making something as their own. The photographs were taken and videos of the cultivation and yield collection were made and displayed in front of the college to develop awareness among other students about agriculture and agricultural practices.

INDEPENDENCE DAY CELEBRATION

An elocution contest was conducted in connection with independence day celebration on the topic 'Current Indian Scenario and Freedom of Expression' for college students. An all Kerala video making contest on 'Freedom going away from us' and troll making on the topic 'If Gandhiji was alive' was conducted.

WEB ONAM VIBE ONAM

The NSS units celebrated Onam on 31 August 2020 with Qudrath (traveller, storyteller, writer, artist). He joined live on Instagram with NSS_PSMOC. Fathima Shahana, NSS volunteer, hosted the live programme.

OORMAYILE ONAM

Onam celebration is a regular programme conducted colorfully in the College every year. With the support of PSMO College Alumni Association, NSS Units organised an online Onam celebration - 'Ormayile Onam' - on 30 August, 2020. The programme was inaugurated by Adv. N Shamsuddeen MLA, a prominent alumnus. Other Prominent Alumni members like Mani C Kappan MLA, Firos Babu, well known Singer, KT Mohammed Shaju, Alumni Association General Secretary, Aslam Villain and many staff and alumni members joined the programme and offered various entertainments.

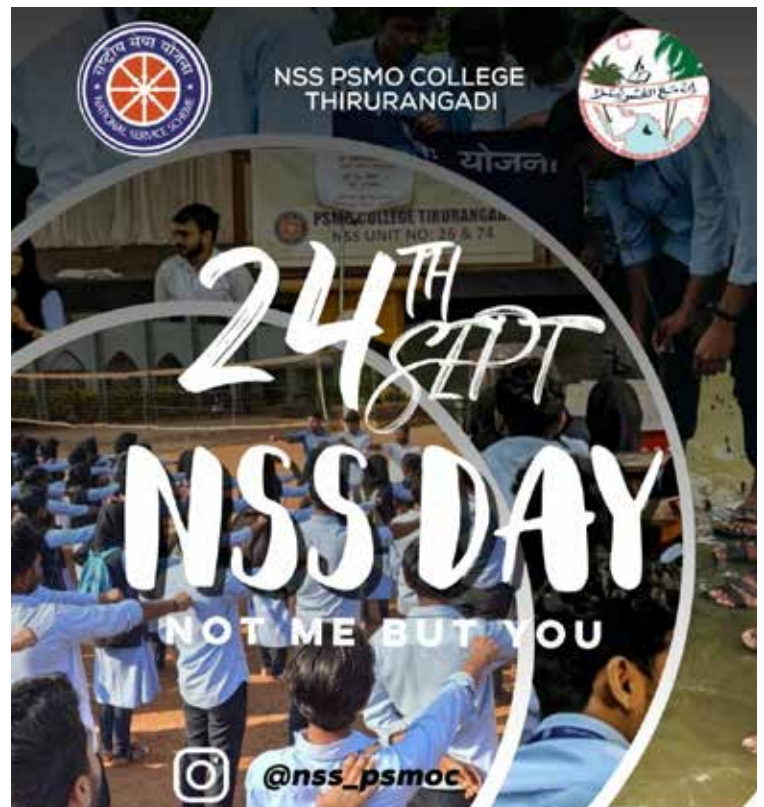

ONLINE ONAM CONTESTS

The NSS Units organized online contests for NSS volunteers titled 'Web Wibe Onam' as part of the online Onam celebration, 'Ormayile Onam'. 'Onakkathakal', a story writing contest on Onam on Instagram, 'Kazhinjonam nallonom', a troll competition on the topic 'kulsitham2k19 - expectation v/s reality' were some of the contests held.

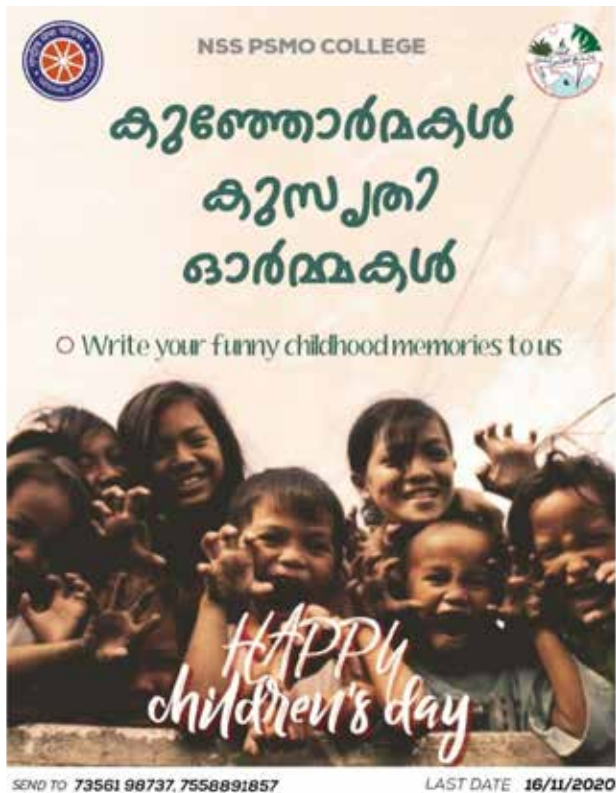

NSS DAY CELEBRATION

Every year NSS day is celebrated on the campus by organizing various colorful activities. But due to the pandemic, NSS Day was celebrated on Google meet platform on 24 September, 2020. NSS Volunteers organized various cultural programmes to mark the occasion.

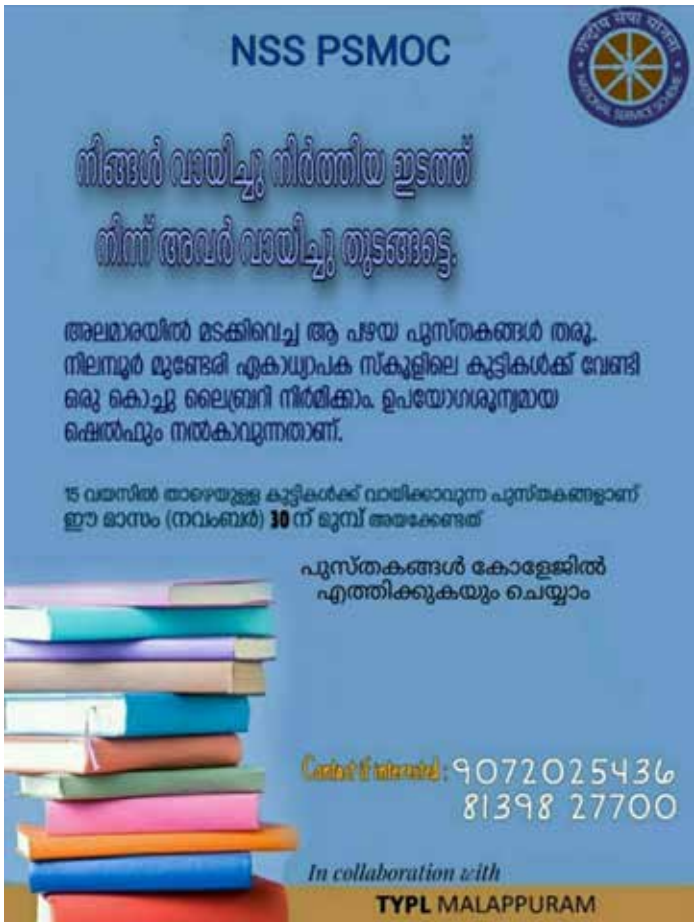

KUNJORMMAKAL KUSRUTHI OORMAKAL (CHILDREN'S DAY CELEBRATION)

NSS Volunteers celebrated Children's Day on virtual platform on 14 November, 2020. Dr. Munavver Azeem, the NSS Programme officer, conveyed the message of celebrating the Children's Day as to increase the awareness of the rights, care and education of Children. A writing contests on funny childhood memories was organized to recollect the experiences of childhood days and to generate awareness on the rights, care and protection of the children.

BOOK COLLECTION IN COLLABORATION WITH TYPL MALAPPURAM

During the locked down period - the period of stress, strain and discomfort- the NSS units of PSMO College collected used books, comics stories and other books from our students as per the request from TYPL (The Gulmohar Foundation Youth Peer Learning) Malappuram to start a library at Narangapoyil Badal School Munderi, Nilambur of Malappuram Dt. (An alternative school for tribal students). This had been one of the commendable activities carried out by the NSS Units of PSMO in the pandemic period. The students could contribute hundreds of books to the tribal school. The library was inaugurated at the school on 14 February, 2021 with more than 3000 books.

VARAM 2020

VARAM, is a registered NGO under the Department of PMR (Physical Medicine and Rehabilitation), District hospital, Tirur. This organization works for the welfare of differently abled persons and organizes a variety of programmes for the benefit of these people. VARAM in association with PSMO College celebrated 'The International Day for Differently Abled' during the period 2019-20. Due to pandemic and imposition of lock down, VARAM in association with NSS PSMOC and SIP PSMOC celebrated the Day for the year 2020-21 on virtual platform - ZOOM on 3 December 2020. Dr. K. Azeez, principal, welcomed the gathering and Jb. MK Bava Sahib, Chairman, PSMO College Managing Committee, chaired the programme. Dr. Anil Vallathol, Hon. Vice Chancellor, Malayalam University, inaugurated the programme. Dr. Javed Anees, PMR, District Hospital, Tirur presented the concept note of the programme. Dr. V. Vinod, Noor Jaleela, P. Krishnakumar, Firos Babu etc. offered felicitations.

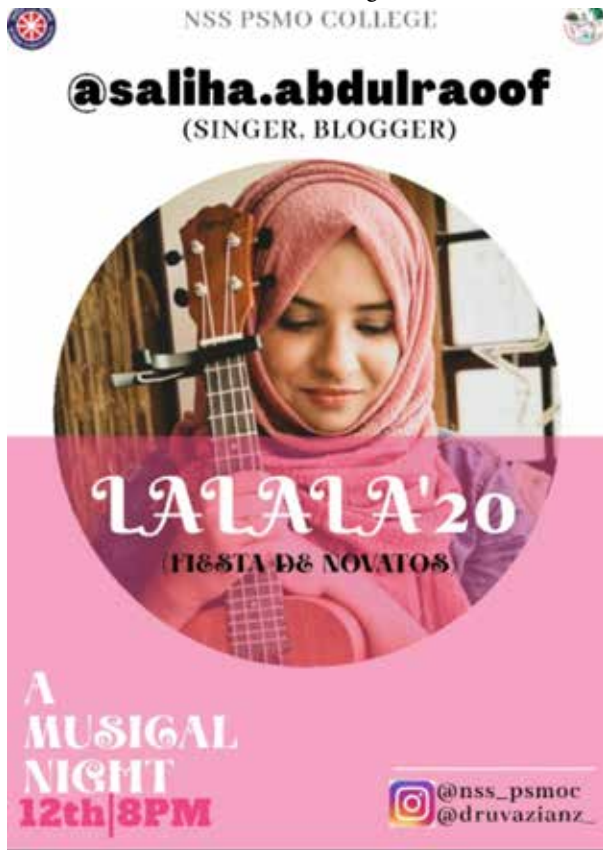

WEBINAR ON HUMAN RIGHTS DAY

The Human Rights Day was celebrated by organizing a webinar on the topic 'New Indian Laws and Human Rights Violation' on 10 December, 2020. Mr. Shabeeb Maloof, a law student and an alumnus of the college, was the resource person. Dr. Azeez K, principal, inaugurated the programme.

LALALA'20

An online musical night was organised on 12 December, 2020, in which Saliha Abdulrahoof, a well known Singer and Blogger, participated. The programme was conducted as instagram live and the feed back of the program showed that it was an interesting session.

NSS ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS

One Day NSS Orientation Programme for first year students was conducted on 26 January, 2021. Dr. Azeez K, Principal, delivered the inaugural speech. Mr. Firoz KT, EMEA College, engaged the orientation class. The interactive sessions and the games played helped the students boost their confidence and the sessions were very interesting. The programme was designed in such a way that it could help develop leadership quality, team spirit and other qualities an NSS volunteer was expected to have. The whole programme was an unforgettable experience to the new volunteers.

AN AWARENESS PROGRAMME

An awareness programme on the need to take care and help the visually challenged and other differently abled persons was held on 30 January 2021 on google meet under the aegis of NSS Units and Kerala Federation For The Blind.

MARTYRS DAY

PSMO College NSS units observed 30 January, 2020 as Martyr's Day. 'MK Gandhi and Kerala in the Early Days' was the title of the programme. Principal Dr. Azeez K, delivered the inaugural speech. Prof. P Sivadasan, Dept. of History, University of Calicut, was the chief guest of the programme. He narrated the life of Gandhiji and his visit to Kerala in a befitting manner. Dr. K Baburajan, HoD of Malayalam, felicitated and Dr. V Abdul Naser and Dr. Munavar Azeem, NSS Programme Officers coordinated the programme.

CLEANING CAMP

As the college resumed its academic and non-academic activities with the partial reopening of the college in the first week of January 2021, the NSS volunteers organized a cleanliness programme on the campus on 8 February, 2021. They did a massive cleaning work on the campus and its premises. The main objective of the programme was to keep the college campus neat and clean.

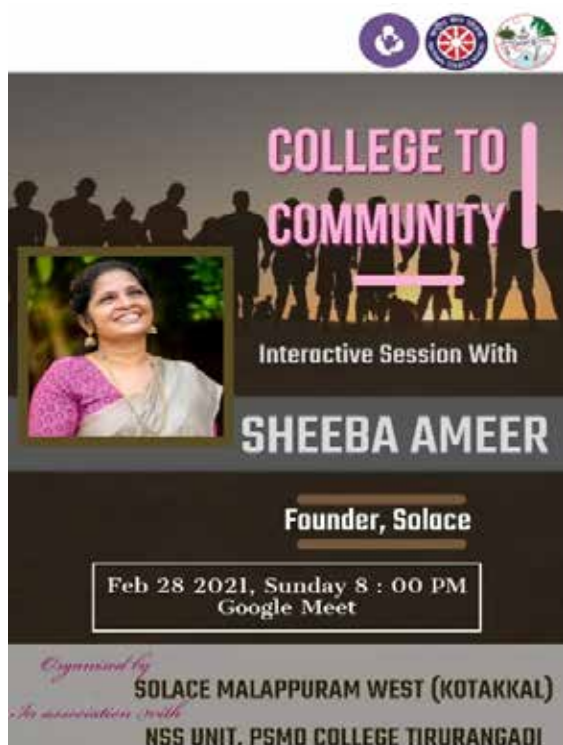

TO EQUALITY

In connection with The World Justice Day, an online session on 'Closing the Inequalities Gap' was conducted by the NSS unit of PSMO College. Adv. Shijesh of Kerala High Court and Adv. Mirshad, a social worker, participated in the programme. An interactive session was also held for clearing the doubts of students in the law. The importance of the maintenance of law and order system, the problem of justice denied, miscarriage of justice and delay in justice were also discussed in detail. Dr. Azeez K, Principal, inaugurated the function. Ms. Mina Bishneer welcomed the audience and Mr. Dilshad chaired the function. Dr. Munavvar Azeem, Dr. Abdul Nasar, the NSS programme officers, extended felicitations.

BE A HELPING HAND

An online session on 'College to Community' was conducted by the NSS units of the College in association with SOLACE, a voluntary organization to care and to help children suffering from long term illness. Ms. Sheeba Ameer, the founder of SOLACE organization, interacted with the students. The SOLACE, an institution based at Thrissur, is providing medicine and care to thousands of children across the state. The relevance of such organisations in the society was also discussed in the programme. Mr. Vaishakh, Ms. Asmath, and Mr. Shameem, the office bearers of Malappuram unit of the organization, were also present in the function.

BLOOD DONATION CAMP

The NSS Units celebrated the International Women's Day by organizing a Blood donation camp in association with Blood Donors Kerala, Tirurangadi Taluk women's wing at the Almas Hospital Kottakkal on 8 March, 2021. Dr. Munavvar Azeem, NSS unit coordinator and Programme officer, talked on the importance of blood donation and all volunteers of NSS units donated their blood.

FOREST DAY CELEBRATION

The Department of Forests and Wildlife, Social Forestry Division, Malappuram in association with NSS Units of the College celebrated International Forest Day at College Auditorium on 21 March 2021. The Vanamitra Awards for 2019 and 2020 were distributed in the function. Prof. (Dr.) M. Nasser, the hon. Pro Vice Chancellor, University of Calicut, attended the programme as chief guest and Jb. MK Bava Sahib, Chairman, PSMO College Managing Committee, as the guest of honour. Mr. V Sajikumar, Deputy Conservator of Forests, Social Forestry Division Malappuram delivered key note address and Mr. Abdul Samad, Range Forest Officer, delivered welcome speech. Dr. Azeez K, Principal, offered felicitation. The programme highlighted the importance of forestation through planting trees at large scale, preservation of our biosphere etc. Saplings of various plants were also distributed on the occasion.

Prof. (Dr.) M. Nasser, Hon. Pro Vice Chancellor inaugurating the World Forest Day Celebration

Jb. MK Bava Sahib, Chairman, College Managing Committee, addressing the audience

Mr. V Sajikumar, Deputy Conservator of Forests, Social Forestry Division, Malappuram, giving keynote address

Dr. K Azeez, Principal, delivering presidential address

Jb. MK Bava Sahib, receiving sapling from Ms. Girija Teacher, the Vanamithra award winner of 2020

SEVEN DAY VIRTUAL CAMP- VIVENCIA'20

As per the instruction given by the NSS Directorate, University of Calicut, to conduct the seven days residential camp in online mode in the wake of the spread of COVID19 and subsequent locked down, the NSS Units of PSMO College organized the residential camp for the year 2020 on virtual platform from 21 to 27 December, 2020. The online camp VIVENCIA' 20 was inaugurated by Dr. M P Mujeeb Rahman, NSS programme Co ordinator, University of Calicut. Dr. Azeez K, Principal, presided over the function. 'Youth for Prevention and Mitigation of COVID 19' was the theme of the camp. The students celebrated the camp by organizing various lectures, cultural activities, online games etc.

CLEANING CAMP

PSMO College NSS Units and Tirurangadi Municipality jointly organized a cleaning camp at various localities of Tirurangadi Municipality as a part of green and clean city project on 24 March, 2021.

CIVIL SERVICES ACADEMY

COORDINATOR

Mr. Noushad Chengodan
Dept. of Economics

The Academy organized two online interactive sessions led by Dr. Syed Zafar Mahmood, the president, Zakat Foundation of India, New Delhi and Sreedanya Suresh IAS, Assistant Collector, Calicut District on 30 July, 2020 and 1 November, 2020 respectively.

The academy organized an online interactive session with on 1 November, 2020.

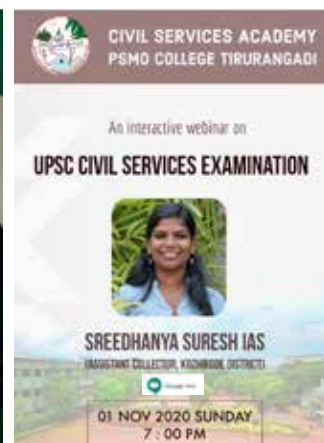

The Academy conducted an online orientation program for all first-semester degree students on 18 November, 2020. An online interactive discussion on 'Facts About Rumours' was also organised on 28 November 2020.

The discussion was led by Sayyid Rabeehashmi IIS, Registrar, FTII, Pune, The Academy conducted an online entrance test for selecting civil services aspirants for the coaching programme of the academic year on 9 January, 2021. Around 280 students attended

the online test, out of which 60 students were selected.

The academy also organized 23 online sessions on various

subjects and three interactive sessions with civil services experts and toppers.

WOMEN DEVELOPMENT CELL

COORDINATOR

Ms. Shareefa Beegum PP
Dept. of English

OBJECTIVE OF THE PROGRAMME

- ▶ To develop awareness among the students about the need to be safe.
- ▶ To build awareness of the violence in the society.
- ▶ To teach them about what to do when in danger.
- ▶ To introduce Nirbhaya app to ensure their safety.

In order to ensure the safety of the students, the women cell, in collaboration with Tirurangadi police, gave a session on various violence that occurs on a daily basis around the neighbourhood. They gave a detailed introduction to Nirbhayam app on 08 March, 2021 to ensure the safety of girl students in the college. M. KP Sunil Kumar, CI, inaugurated the function. Mr Suresh Kanamkulam, ASI, introduced the app to the students.

OUTCOME OF THE PROGRAMME

1. The students got acquainted with the Nirbhaya App developed by the Government of Kerala and installed the same in their phones
2. The students clarified their doubts about the violence around and the safety measures to be taken by them.

QUIZ CLUB

COORDINATOR

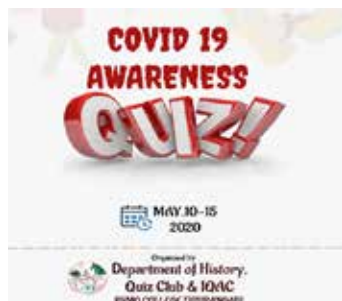

Ms. Saleena M
HoD of History

During the past couple of years, students of PSMO college came with flying colours from various college, university, district and State level quiz competitions conducted by different organisations. A Quiz Club was constituted in the college, for co-ordinating these activities in the academic year 2020-21. Ms. Saleena M, HoD of History, was the Coordinator of the programme. The members of the quiz club bagged prizes in various contests in the academic year 2020-21.

REPORT OF QUIZ CLUB-2021

With the support of IQAC, the Quiz Club organised a five day online National level Covid-19 awareness quiz program from 10 to 15 May 2020. Around 750 participants attended the program and 500 certificates were issued.

An online Quiz Competition (SARFAROSH) was conducted to commemorate 74th Independence Day of our nation on 15 August 2020. Certificates were issued to those who secured more than 50% of marks in the contest.

PSMO College honoured Najda PM and Murshida K, student coordinators, Quiz Club for their outstanding performance in the quiz competitions. They bagged more than 20 prizes for PSMO College in different competitions. Shri. Abdurabb, Former Minister of Education handed over the mementos in a general function organized by the college on 9 February.

Murshida K S6 BA History and Hisana Sherin S6 BA English handing over the memento to the Principal, Dr K Azeez, having bagged first runners up in the State Level PM Aboobacker Memorial Career Quiz conducted by YES India, Chevayur, Calicut.

Najda PM and Murshida K, (S6 BA History) handing over the memento to Ms Saleena M, the HoD, History, having bagged first runners up in the State Level Gandhi Quiz conducted by Gandhi Chair, University of Calicut.

DEPARTMENT OF PHYSICAL EDUCATION

During the academic year 2020-21, the activities of the Department of Physical Education were adversely affected due to the COVID-19 pandemic and subsequent imposition of lock down in Kerala. As the college functioned partially for a few days, the activities could be organised at College level only. But during the period from January, '21 to March '21, only a few activities were organised at University and District level, in which only some students could represent the College. Some important achievements are listed below.

PSMO COLLEGE ALUMNI ASSOCIATION (2020-21)

Dr. PM Alavikutty
President

Mr. KT Mohammed Shaju
General Secretary

Mr. Abdul Amar M
Treasurer

PSMO College Alumni Association was formed in 1991 and since the year of its inception, the association has been playing a pivotal role in making the institution one of the best institutes of the country. The Association acts as a common platform for those who left the college after the completion of their course. This is a venue for all those members of alma mater to meet and share their views and to bring to mind their good old days spent on the campus. PSMO College Alumni Association is distinctive in its matchless service and support rendering to the ongoing progress

and advancement of the institution. They are involved in bringing about improvement in the infrastructure of the college, keen and considerate in giving scholarship to poor and deserving students and are interested in organising useful programmes like career guidance, counselling sessions and other training programmes by employing the expertise of eminent alumni members or by making available the international figures to the benefit of the students.

The Association membership is granted to all students who leave the college after the completion

of their course. The activities of the Association are managed by the parent committee of the Association. Besides this, Department wise Alumni Associations, NCC Alumni, constituted by ex-cadets of the college, and sports Alumni are instrumental in making the institute a premier one. Moreover, various Alumni Chapters are also rendering meritorious service at UAE, Jeddah, Riyadh, Qatar, Oman and USA. The functioning of all these Alumni Chapters and regional committees are monitored by the PSMO College Alumni Central Committee with Dr. PM Alavikutty as the President, Mr. KT Muhammed Shaju as the General Secretary and Mr. Amar Manarikal as the Treasurer.

The Alumni Association lends its full support to all the developmental projects of the college. The establishment of the Digital Library, setting up of the Language Lab, construction of

Alumni House and NCC Bhavan, interior sound engineering work of the auditorium, beautification works of the auditorium stage, etc are some of the major projects executed with the support of the Association. Furthermore, every year the Alumni Association, especially the chapters at Jeddah, Riyadh, UAE and Qatar are contributing generously a sum of money not less than Rs. 5 lakh towards Alumni Scholarship, which benefits around 150 to 200 poor and deserving students of the institute.

The Association regularly organises grand get together functions on the campus. The programme 'Back to PSMO' was organised in 2013 and *Suvarna Sangamam-2017* organised in connection with the Golden Jubilee Celebrations of the college in December 2017 turned out to be a memorable event.

PSMO COLLEGE ALUMNI ASSOCIATION SCHOLARSHIP

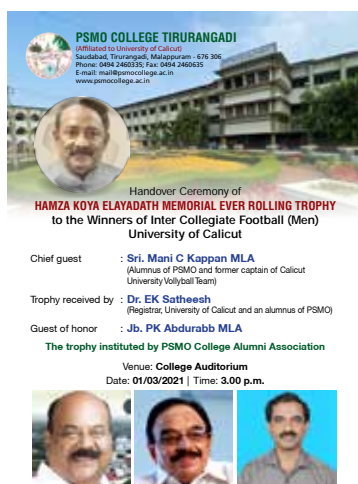

The PSMO College Alumni Association has always been considerate and kind enough to help the poor and deserving students of the college. The motto of the Association is '*No students shall be devoid of education and food due to lack of means*'. With this motive, the association contributes a sum of money not less than Rs. 5 lakh every year. Initially this scheme was started by UAE Alumni Chapter, later other chapters, viz., Jeddah, Riyadh and Qatar also joined the scheme. College utilises this fund for meeting the expenses incurred on students' purchase of study materials and uniform, providing midday meals, meeting conveyance cost and medical expenses.

HAMZA KOYA ELEYADATH MEMORIAL EVER ROLLING TROPHY

The PSMO College Alumni Association has decided to institute Hamza Koya Elayadath Memorial Ever Rolling Trophy for Calicut University Intercollegiate football Men Champions since the academic year 2020-21. Sri. Hamza Koya had been in PSMO College in the period 1974 to 1977. During the period he represented College football and Volleyball teams in Inter University level besides being proved his mettle in long jump and other athletic events. He was included in the Calicut University Football team in the academic year 1976-77. He was the most promising player the college had ever seen. Soon after his college days, he played for Western Railway (1977-79), Union Bank of India (1981-82), RCF Mumbai (1983-84), TATA Sports Club (1984-85), ORKAY Mills (1986-96) and also played in Santhosh trophy for Maharashtra during 1981-86.

This eminent football player passed away with complications due to COVID-19 on 6 June 2020 at the age of 61 and was unfortunate to become the first victim of the corona virus in Indian sports.

The Alumni Association of PSMO College instituted an ever rolling trophy as a tribute to the great alumnus of the College. The handover ceremony of the trophy was conducted at PSMO college on 1 March 2021. Dr. EK Satheesh, the Registrar, University of Calicut and an alumnus of PSMO college, received the trophy from the chief guest, Anas Edathodika, the renowned footballer.

Guest of honour: Anas Edathodika
